

Service Learning Orientation Fall 2009

Presented by the Office of Mentoring and Service-Learning

Service-Learning students are required to complete some basic paperwork in order to get credit for their service. The OMSL Orientation provides an overview to service-learning and distributes the necessary paperwork to students.

Students participating in Project SHINE should attend the SHINE Orientation/Training in place of the OMSL Orientation. Please contact the Project SHINE office for more information: (415) 239-3405 or shine@ccsf.edu
