WSP groups are only for the sections listed above.

- When you are planning your Spring 2009 schedule, remember to set aside time to attend a study group.
- For example, if you sign up for 92 on MWF from 9-10, do not schedule other classes for both 11-12 and 12-1, as you will not be available for study group.
- Leave **one** of those slots open so you can attend group.
