## “Kickoff” of the CCSF “Harvey Help” Campaign

Dear Faculty, Staff and Students of the CCSF Community:

Since last Monday when I sent our message of hope and support to the people affected by Hurricane Harvey, many of you have informed me of family and friends you have in the greater Houston area. If any in our extended CCSF community do need assistance or an accommodation to see to loved ones in that area, please let me know.

We have also organized an official CCSF support effort that was initiated by a request that came through Trustee Alex Randolph from former colleague Samuel Santos who is now at the University of Houston. Mr. Santos reports that what is most needed now by students and others is new dry clothes and shoes. So, welcome to **“CCSF Supports Houston.”** We are sending our friends in Houston our San Franciscan hearts.

We will kickoff this campaign tomorrow at our football game, September 2<sup>nd</sup>, at 1pm at Rush Stadium. A donation bin will be at the game for you to donate new T-shirts, sweatshirts and shoes.

### PLEASE SEE BELOW FOR FULL DETAILS

If you can't make it to the game, the donation bin will be available in Conlan Hall until Friday, September 8<sup>th</sup>, after which time we will pack and ship the donation to Houston.

For the last three years before coming to CCSF I served in Governor Cuomo's office on the Hurricane Sandy disaster recovery program. I learned then that our efforts today to help Houston will be so important to the

victims of Harvey. Our gesture of caring will let them know they are in our thoughts and will help to give them hope.

We truly are all in this together.

Sincerely,
