Initial Steps for Student Access to Campus Logic

You will first be required to activate your RAM ID. For students, your RAM ID is your Student ID number, typically starting with a W or @.

For Returning Users:

Step 1: Access RAM ID Portal: Go to www.ccsf.edu
Step 2: Click on MyCCSF
Step 3: Under For Students, click on the "RAM ID Login Portal" link.
Step 4: Enter your RAM ID username along with your current password
Step 5: Click "Login"
Step 6: You will be prompted to enroll your new security questions. Pick 2 out of the 10 available to answer.
Step 7: You will also be prompted to enroll your mobile device and personal email for future password recovery options. A one-time-password (OTP) will be sent to verify your identity. Although these are OPTIONAL enrollments and can be skipped, we highly recommend utilizing these features as it will increase your password recovery options.
Step 8: Password setup. Enter your new password based on the displayed requirements.
Step 9: You should now be able to log into RAM ID and view CCSF Resources Portal
Step 10: Click on Campus Logic [Financial Aid]

For Returning Users

For New Users

STEP 1 & 2: Access RAM ID Portal: Go to [www.ecsf.edu](http://www.ecsf.edu) and Click on MyCCSF

STEP 3: Under For Students, click on the "RAM ID Login Portal" link.
STEP 4: Click on “New User? Forgot Password? button

STEP 5: Enter your RAM ID username. “End-User Self Service” box will appear

Students: Your username is the same as your "Student ID number"  
Student Format: W00000001, @00000001, etc.
STEP 6: You will be prompted to answer 3 mandatory questions to verify your identity.

You will be asked to verify your identity by answering 3 questions:
1. What is your Student or Employee ID number?
2. What is your Last Name?
3. What is your Date of Birth? [MMDDYY]

Select "Continue" after you have answered the 3 questions.

- As long as the answers that are entered match our database, your identity will be verified and you will be able to enter your own personal password.
- Note: If the data entered does NOT match the database this error will be displayed. (Please contact CCSF Helpdesk at (415) 239-3711 (option 5))
STEP 7: Password setup. Enter your new password based on the displayed requirements.

Please note the following requirements for passwords:
- Your password must be at least 8 and no more than 32 characters
- You cannot reuse current password
- Your password cannot contain any part of your name or username
- Your password must contain at least 1 numeric character.

Select Continue on the above screen and then "Try to continue logging in" at the next screen.
STEP 8: You will also be prompted to enroll your mobile device and personal email for future password recovery options. A one-time-password (OTP) will be sent to verify your identity. Although these are OPTIONAL enrollments and can be skipped, we highly recommend utilizing these features as it will increase your password recovery options.
STEP 9 & STEP 10: You are now registered within RAM ID and able to view CCSF Resources Portal.
