Washington and Dashkevich signing their letters of intent

Guards Tatsiana Dashkevich and Nalia Washington will be trading in their red and black jerseys for purple and gold ones after signing their National Letters of Intent to play basketball for the San Francisco State University Gators.

Dashkevich, who received all-state first team and all-conference first team selections, was a key component during the CCSF Rams run to the North Coast Conference Championship Title last year. Her per-game averages were an outstanding 13.1 points, 3.6 rebounds, and 2.5 assists. Washington, who was a redshirt last year, raised enough eyebrows around the basketball community with her hard work and dedication to receive a scholarship at SFSU.

Head Coach Derek Lau is proud and excited about the opportunities that are ahead for Dashkevich and Washington.

“I look forward to them carrying on the CCSF tradition at San Francisco State University” Lau said. “I’m excited about them continuing their playing careers, but more importantly, I’m excited about those two student athletes earning a scholarship. It’s a fabulous opportunity.
