| **Accelerated Benefit** | If you are terminally ill you can receive up to 75%, not to exceed $250,000, of your life insurance benefit in a lump sum as long as:
- Your life expectancy is 12 months or less (as diagnosed by a physician).
- Your death benefit is at least $10,000.

When you use the accelerated benefit, your death benefit is reduced by the accelerated benefit payment. There are possible tax consequences to receiving an accelerated benefit payment. You should contact your tax advisor for details. Receipt of accelerated benefits could also affect eligibility for public assistance. The charge for this benefit is included in your premium. |
| **Accidental Death & Dismemberment** | We pay an additional benefit if you die, lose your hands, feet, or vision as the result of an accident. |
| **Coverage Outside United States** | Coverage continues for all eligible, active employees for up to six months if you are outside the United States due to travel, business assignment or while enrolled as a full-time student. Coverage automatically terminates if the insured is outside the United States for any other reason. |

Individual Purchase Rights
In termination situations, you can convert coverage to individual life insurance. Upon coverage termination your employer is required to inform you of individual purchase rights. You have 31 days after coverage ends to convert without a health statement. The amount you can purchase varies depending on the termination situation. Contact Principal Life for details.

Claims/Beneficiary Information
You can name anyone as your beneficiary except your company. You can also change beneficiaries at any time.

Benefit Payments
A choice between our Interest Draft Account and Lump Sum Payment options lets beneficiaries put death benefits into an interest bearing account like a checking account or beneficiaries can receive the entire benefit payment in a lump sum. With an Interest Draft Account, they can withdraw a portion or all of their money at any time.
