2. Bereavement Leave

2.1 Bereavement leave pursuant to Civil Service Rule 120.7.3 shall not be charged against sick leave in connection with absence because of the death of the employee's spouse/domestic partner, parents, step parents, grandparents, grandchildren, parents-in-law, sibling, sister-in-law or brother-in-law, child, step child, adopted child, daughter-in-law or son-in-law, a child for whom the employee has parenting responsibilities, aunt or uncle, niece or nephew, legal guardian, or any person who is permanently residing in the household of the employee. For the purposes of bereavement leave, relatives of a domestic partner shall be treated the same as those of a spouse. Such leave shall not exceed three (3) working days and shall be taken within thirty (30) calendar days after the date of death; however, two (2) additional working days shall be granted in conjunction with the bereavement leave if travel outside the State of California is required as a result of the death. Additional days may be charged against paid time off or unpaid leave at the employee's discretion. Any such requests shall not be unreasonably denied.

- (e) Temporary and permanent employees who are absent from duty because of disability arising out of and in the course of their employment shall be governed by the provisions of the Worker's Compensation Insurance and Safety Act of State of California. The salary paid by the San Francisco Community College District while on Compensation is a charge against sick leave.
- (f) No Sick leave exceeding 5 days shall be granted to any persons unless there is presented by the person asking for said sick leave a physician's certified stating the necessity for said sick leave; a statement from an accredited Christian Science Practitioner may be accepted in lieu of a physician's certificated covering illness. A dentist may sign in the case of oral surgery. The certificate required after 5 days illness shall be made on such forms as the Civil Service Commission may provide. These forms may be obtained from the District Business Office and must be filed with the District Business Office no later than the day the time-roll for the period is sent to the office.
- (g) Application for sick leave shall be filed with the District Business Office immediately upon return from said absence. Pay warrants will be withheld from employees who fail to submit leave forms as required by this section.
- (h) Sick leave with pay is a privilege recognized by Charter and by Ordinance of the Board of Supervisors and shall be requested and granted only in cases of absence necessitated because of illness which incapacitated the employee for the performance of his/her duties or as defined in Section 22 of the Civil Service Commission Rules.
- (i) Sick leave with pay will be granted for absence due to pregnancy or convalescent period following childbirth; provided that the length of the leave of absence, including the date on which the leave shall commence and the date which the employee shall assume duties, shall be determined by the employee and the employee's physician.
