AAPS 101: College Orientation

Freshman Orientation (AAPS 101) is a college orientation class. Students will learn about the different programs and services that are offered at City College to support student success. Students will also learn about the requirements needed to complete a certificate program, graduate, and transfer to a 4 year college or university.

Topics include:

- How is college different from high school?
- What do my placement scores mean?
- What kinds of programs and services does City College offer?
- How do I transfer to a 4 year college?
- How do I graduate?
- How do I register for classes?
- What is financial aid and how do I apply for it?
