With One Voice
From the CCSF Vision & Mission Statement

....we strive to provide an affordable and unparalleled learning experience in a supportive and caring environment that leads students to successfully complete their goals.

Department Mission Statement

[Flowchart showing: Over-Arching, Generous, Hopeful, Provides Guidance, Has Heart]
At the completion of Lern 52B, Academic and Progress Probation, students will apply their knowledge of the causes of academic and progress probation by constructing a preventative action plan that includes components on time management, college/life/work balance, and study skills management.
We Measure & Assess How We Apply the Mission Statement

- SLO
- Measure
- Assess and discuss
- Continual improvement

Student Learning Outcomes

Align with Mission Statement → Align with PSLOs → Measured & Assessed
Turn to the person next to you and come to an agreement on one thing you both hope students will take with them from their CCSF experience.

DIVER City Festival

CCSF’s 1st annual DIVER City Festival. Students coming together to celebrate each other. Enjoy ethnic foods, music, poetry readings, dance performances, and even international films. To participate, perform, host a table/booth, or simply get more information, please contact Dr. Veronica Hurmicutt or Rita Tulasio’alu at 415-239-3211 or studentaffairs@ccsf.edu.

Hosted by the Office of Student Affairs.
How many of you work with individuals from other departments or programs to deliver services for our students?

What do you think gets in the way of sharing constructive criticism and pertinent information with each other?
How can we exchange our knowledge and wisdom with each other as colleagues and work collaboratively to deliver effective and efficient services to our students?

Go back to your department and imagine a way you can collaborate with someone in another department to deliver effective and efficient student services.
