

EMERGENCY MEDICAL TECHNICIAN (EMT)

This program prepares students to meet National EMS Education Standards and State of California requirements for EMT course completion and to take the National Registry of Emergency Medical Technicians (NREMT) basic level EMT Examination. EMT course completion and NREMT certification is a prerequisite to Paramedic Program enrollment. Course completion and NREMT certification may lead to EMT certification from the California Emergency Medical Service Authority (EMSA), providing the student does not have a drug or criminal history that would preclude certification. Concerns regarding applicants' particular background record should be addressed with the San Francisco EMS Agency at (415) 487-5000.

Courses Required for the Certificate of Accomplishment in Emergency Medical Technician (grade of C or better):

EMT 100 **8.0 units**

Emergency Medical Technician
(Lec-105, Lab-105, work-24)

EMT 99 **1.0 unit**

National Registry EMT Exam Preparation
(Lec-18)

Total: 9.0 units

PLEASE NOTE: EMT students admitted to the EMT 100 Course will be required to register with Certified Background and successfully complete the criminal background and drug screening components before being placed on the clinical rotations. ***Students failing drug or criminal background investigations will be dropped from class without exception.***
