Where the minimum rate of pay for any classification differs between State and Federal wage rate determinations, the higher of the rates of pay shall prevail.

It is hereby stipulated that the Contractor shall forfeit, as a penalty, to the District, twenty five dollars ($25.00) for each laborer, workman, or mechanic employed, in the execution of the contract, by the Contractor, or by any sub-contractor under the Contractor, upon the work in this contract specified, for each calendar day during which such laborer, worker, or mechanic is required or permitted to labor more than eight hours in violation of the provisions of Sections 1810 to 1815, inclusive, of the State Labor Code.

The District and the Contractor agree that time is of the essence in this agreement in all things and that the District will suffer financial loss if the work is not completed within the time specified, plus any time extensions allowed in accordance with the General Conditions. The parties also recognize the delays, expense, and difficulties involved in proving in a legal proceeding the actual loss suffered by the District if the work is not completed on time. Accordingly, instead of requiring any such proof, the District and the Contractor agree that as liquidated damages for delay (but not as a penalty) the Contractor shall pay the District the sum of $_____________ for each calendar day that expires without Substantial Completion after the time allowed in the Specifications.

And it is further understood and agreed by and between the parties, that this agreement is entered into in compliance with, and subject to, the conditions imposed by Titles 19 and 21 of the California Code of Regulations; the California Public Contract Code; and Title 3, Division 7, Part 49, Chapter 1 of the California Education Code (Section 81130, et seq., Field Act—Community Colleges).
