GRANTS BULLETIN FEBRUARY 2003

If you know of anyone who would be interested in receiving our Grants Bulletin, please send her/his name and email address to: khershbe@ccsf.edu so that we can add her/him to our mailing list.

If you are interested in developing a proposal or have recently submitted an application, we’d like to know! Please contact us at 239-3677 or the above email address.

Grants Awarded

California Council for the Humanities – California Story Fund
CCSF’s Center for Habitat Restoration received a grant from the California Council for the Humanities’ California Story Fund for students in a Special Projects biology course to collect stories from residents of Bayview Hunters Point as related to their experience with habitat restoration and environmental activism. Amount Awarded: $4,847. Contact: Ed Bedecarrax, 239-3605.

Grants Proposals Submitted

Mayor’s Office of Community Development (MOCD) – Community Development Block Grants
CCSF’s Small Business Development Center seeks funds from MOCD to continue serving small and emerging businesses throughout San Francisco County with a full range of consulting services, workshops, referrals, technical assistance and loan packaging. Amount Requested: $75,000. Contact: Al Dixon, 908-7506.

Grant Proposals in Progress

Rosalynn Carter Institute/Johnson & Johnson – Intergenerational Caregivers Program
CCSF’s Office of Mentoring and Service-Learning’s application to the Intergeneration Caregivers Program will focus on the expansion of Project SHINE and the creation and implementation of second-stage, service-learning experiences for students, in partnership with San Francisco State University. Application Deadline: Preliminary Proposal, February 14, 2003. Contact: Camilla Bixler, 239-3405.

U.S. Department of Commerce/National Oceanic and Atmospheric Administration (NOAA) – Environmental Entrepreneurship Program
CCSF’s Center for Habitat Restoration seeks funds from the Environmental Entrepreneurship Program to establish a demonstration project integrating habitat restoration with entrepreneurial skill development. Students in this year-long program will act as environmental consultants to agencies throughout the city, developing and implementing community-based habitat restoration projects. Application Deadline: Preliminary Proposal, February 17, 2003; Full Proposal, April 17, 2003. Contact: Ed Bedecarrax, 239-3605.

State Chancellor’s Office – Workforce Development Instructional Equipment Grants
Workforce Development Instructional Equipment grants provide equipment to assist in the improvement of workforce development programs. The following CCSF departments/programs will submit applications for the indicated category: Ornamental Horticulture and Floristry (Agriculture and Natural Resources), CNIT (Business Education), Culinary Arts and Hospitality Studies (Family and Consumer Sciences), Bio-Link (Industrial and Technical Education), Health (Health Occupations). Proposals range from $25,000 to $100,000 each; a 50% industry match is required for each application. Application Deadline: February 19, 2003. Contact: Kelley Karandjeff, 239-3013, or Andrea Speraw, 550-4364.

State Chancellor’s Office – Fund for Instructional Improvement (FII)
CCSF will submit two applications to FII, both focused on professional development. The first will focus on infusing multicultural perspectives into the curriculum and the second will support the development of strategies for successful

**California Integrated Waste Management Board (CIWMB) – California Reuse Assistance Grant**
CCSF’s Department of Facilities and Planning, Buildings and Grounds, and Recycling Program will request funds from the CIWMB to create a furniture and equipment exchange program for the College. Application Deadline: February 28, 2002. Contact: Kelley Karandjeff, 239-3013.

**U.S. Department of Education – College & Career Transitions Initiative (CCTI)**
CCSF’s School of Health and Physical Education seeks CCTI funds to create a health pathway with John O’Connell High School through the Middle College program. The pathway will aim to improve academic performance of students at both the secondary and post-secondary levels such that they can move effectively from high school to college and a career in the health field. Application Deadline: February 28, 2003. Contact: Linda Squires-Grohe, 561-1908.

**National Fish & Wildlife Foundation - Five-Star Restoration Challenge Grants**
CCSF’s Center for Habitat Restoration requests Five-Star Restoration Challenge funds to support restoration projects at both Heron’s Head and Mountain Lake. Application Deadline: March 3, 2003. Contact: Ed Bedecarrax, 239-3605.

**U.S. Department of Education – FIPSE Comprehensive Program**

**State Chancellor’s Office – Industry Driven Regional Education and Training Collaboratives (IDRC)**

**State Chancellor’s Office – Job Development Incentive Training (JDIF) Program**
CCSF’s School of Health and Physical Education requests support from JDIF to expand the in-home support services training program and encourage recipients of state assistance to enroll in the program. We will develop the program in tandem with employers who will hire program graduates. Application Deadline: April 8, 2003. Contact: Linda Squires-Grohe, 561-1908.
