Honorable Board of Trustees of the
San Francisco Community College District

Subject: Resolution No. 960829-B13

Authorization to contract with San Francisco State University (SFSU) for activities related to a grant from the Carl D. Perkins Vocational and Applied Technology Education Act of 1990 (VATEA) for the Community Health Worker Training Program, for the period July 1, 1996 to June 30, 1997 in the amount not to exceed $40,000.

President and Members:

This resolution requests an authorization to subcontract funds to San Francisco State University (SFSU) for activities related to a grant from the Carl D. Perkins Vocational and Applied Technology Education Act of 1990 (VATEA) for Community Health Worker Training. The Community Health Worker Training Program is a joint project of the Health Sciences Department of City College of San Francisco and the Department of Health Education at San Francisco State University. This grant-driven program will seek to develop:

(1) Two specialty course sequences, which will grow by the year 2000 into a multi-specialty training center for frontline community and primary care positions;

(2) Health Train, a retention and transfer program leading from CCSF to SFSU’s College of Health and Human Services, with an emphasis on increasing the pool of health professionals from linguistically isolated and medically underserved communities;

(3) Linkages with CCSF academic departments to arrange special sections of general education courses with health content that integrates academics with the National Health Care Skill Standards, the particularization of SCANS in health.

This proposal was developed in partnership with San Francisco State University faculty. Staff and faculty members from both institutions will work on the program. CCSF is the fiscal agent.

SFSU will not request indirect costs for the subcontract. There are no matching fund requirements for this grant.

A prior resolution (No. 960927-B12) authorized submission of the proposal. This program has been guaranteed funding for one year, July 1, 1996 to June 30, 1997 not to exceed the amount of $40,000.
The following resolution is recommended for adoption:
