Honorable Board of Trustees of the
San Francisco Community College District

Subject: Resolution No. 960829-S1
The Administration should enter into articulation agreements with the historically black colleges and universities and make this information available to students and the public.

President and Members:

WHEREAS: The City College of San Francisco is keenly interested in continuing the educational experiences of its graduates;

WHEREAS: Historically black colleges and universities have a rich history of meeting the individual needs of their students;

WHEREAS: The cost of attending a historically black college or university is approximately half the cost of the average private college or university;

WHEREAS: The student teacher ratio is significantly less than the average college or university;

WHEREAS: 80% of African-American students who enroll in historically black colleges complete the baccalaureate degree;

WHEREAS: There is considerable interest in the historically black colleges among African-American students

NOW THEREFORE BE IT RESOLVED THAT:

The administration enter into articulation agreements with the historically black colleges and universities and make this information available to students and the public.
