Subject: Resolution No. 960627-B28
Authorization to (1) appropriate funds receivable, upon approval of City College of San Francisco's plan for Carl D. Perkins Vocational and Applied Technology Education (VATEA) Act of 1990, by the State Chancellor's Office, California Community Colleges, for Fiscal Year 1996-97, in the amount of $91,311

President and Members:

City College of San Francisco (CCSF) receives Federal funds, authorized by the Carl D. Perkins VATEA Act of 1990, for Vocational Education. The VATEA II-A Funds address the economic mission of the Perkins Act. "It is the purpose of this Act to make the United States more competitive in the world economy by developing more fully the academic and occupational skills of all segments of the population. This purpose will principally be achieved through concentrating resources on improving educational programs leading to academic occupational, training and retraining competencies needed to work in a technologically advanced society."

CCSF has been allocated a $91,311 VATEA Title II-A grant for 1996-97. A college-wide vocational education committee was formed and has made funding recommendations to appropriate the VATEA funds. The funding is consistent with the State guidelines and meet the College's program priorities.

The following resolution is recommended for adoption:
