President and Members:

On August 24, 1995 the Board of Trustees approved Resolution No. 950824-B4 to submit an application to the San Francisco Mayor's Office of Community Development (MOCD) for funds under the Community Development Block Grant Program (CDBG) for 1996. The amount of the original resolution was $100,000. Following the Board's approval of Resolution No. 950824-B4, MOCD notified the District that it had awarded CCSF $50,000 for the elevator. The current request for authorization is therefore to increase funding by $55,000 to an amount not to exceed $105,000.

The District's proposal was for funds to install an elevator at the Evans Campus to put the site into compliance with ADA. The elevator will provide full campus access to the vocational training programs under the Dean of the Evans Campus.

The following resolution is recommended for adoption:
