Honorable Board of Trustees of the
San Francisco Community College District

Subject: Resolution No. 960222-B19
Authorization to contract with Francis & Anderson, Inc. for architectural services from January 1, 1996 to June 30, 1996 at a total cost not to exceed $30,000

President and Members:

At a special meeting on February 7, 1996, the Board of Trustees adopted Resolution 960207-S1. This resolution directed the Chancellor to conduct all activities necessary for the preparation of a November 1996 General Obligation Bond Issue for capital improvements. To continue this effort the district will require the special services and advice of an architectural firm. The Chief Operating Officer has recommended the selection of Francis & Anderson Inc., an MBE/WBE firm to fill this need. This recommendation is in compliance with Government Code Section 53060. Funds for these expenditures will be identified in the annual general fund re-budget resolution.

The following resolution is recommended for adoption:

RESOLVED: That the San Francisco Community College District contract with Francis & Anderson, Inc. for architectural services from January 22, 1996 to June 30, 1996, based on the hourly rates specified in Attachment A, at a total cost not to exceed $30,000.

FURTHER BE IT RESOLVED: That the Chancellor and/or Chief Operating Officer are hereby authorized to execute such a contract on behalf of the San Francisco Community College District.

Recommended for adoption:

Del M. Anderson
