Honorable Board of Trustees of the
San Francisco Community College District

Subject: Resolution No. 960222-S6
Adopting participation goals established for California Community Colleges for business enterprises of minority, women, and disabled veterans pursuant to Title 5 Subchapter 9, Sections 59500, 59502, 59504, 59505, 59506, 59508, and 59509

President and Members:

On March 30, 1995 the Board of Trustees of the San Francisco Community College District adopted Resolution No. 950330-S2, which directed the administration to bring to the Board a plan with a time-line for the development, adoption and implementation of a Minority Enterprise Business/Women's Business Enterprise (MBE/WBE) program for the District by no later than the May, 1995 regular meeting of the Board.

On May 25, 1995 the Board adopted Resolution No. 950525-S5 establishing a time line for the development, adoption and implementation of a Minority Business Enterprise/Women's Business Enterprise Program for the District.

While the plan to develop and implement an MBE/WBE Program is still moving along, the administration's recommendation is that the District formally adopt the MBE/WBE/DAV participation goals as outlined in Title 5, Subchapter 9, Section 59500:

(a) The California Community Colleges shall provide opportunities for minority, women, and disabled veteran business enterprise participation in the award of district contracts consistent with this Subchapter. The statewide goal for such participation is not less than 15 percent minority enterprise participation, not less than 5 percent women business enterprise participation, and not less than 3 percent disabled veteran business enterprise participation of the dollar amount expended by all districts each year for construction, professional services, materials, supplies, equipment, alteration, repair, or improvement. However, each district shall have flexibility to determine whether or not to seek participation by minority, women, and disabled veteran business enterprise for any given contract.

(b) Nothing in this Subchapter authorizes any district to discriminate in awarding contracts on the basis of ethnic group identification, ancestry, religion, age, sex, race, color, or physical or mental disability.

The following resolution is recommended for adoption:
