Subject: Resolution No. 960125-B15
Authorizing the approval of the cost of: Contract Modification #1, for $13,580, to cover the cost of Space Inventory Documentation for 1400 Evans Ave. and the new Library-Learning Resource Center as well as producing the District’s 5-Year Capital Outlay Construction Plan for submittal to the State Chancellor’s Office, with Cannon-Weichert-Fleming.

President and Members:

The District wishes to modify the contract for up-dating the District Facilities Space Inventory with the firm of Cannon-Weichert-Fleming to expand their scope of work concerning the previously un-inventoried property at 1400 Evans Ave. and the newly constructed Library-Learning Resource Center on the Phelan Campus. This expanded scope of work will cost the District an additional $3,580. The District also wishes to modify the existing contract to include formatting and presenting the new and favorably accurate information generated by the District Facilities Space Inventory Up-Date as the 1996 District 5-Year Capital Outlay Construction Plan, which is the basis for all State funded capital outlay projects for the next five years. The cost of this additional service will be less than $10,000. The total cost of this Contract Modification #1 will be $13,580. This Modification will bring the total contract amount to $49,380. And is to be charged to Appropriation No. U-0130-5690-6600-C.

The following resolution is recommended for adoption:
