Honorable Board of Trustees of the
San Francisco Community College District

Subject: Resolution No. 960725-B22
Authorization to contract with Geo/Resource Consultants Incorporated, an MBE/WBE firm, for geotechnical services for the Project: CCSF, Tennis Courts Renovation, at a cost not to exceed $8,195.

President and Members:

There is an immediate need for geotechnical services including soils investigations and engineering analysis for the tennis courts renovation project which includes structural improvements, lighting standards, retaining walls, and the kiosk. Geo/Resource Consultants, an MBE/WBE firm, is on site providing geotechnical services for the stadium project and are available to provide this urgent need and work closely with the tennis courts design team to expedite the flow of design.

The scope of work includes soil investigation to provide subsurface data for foundation design; review of existing geologic and soil data for the area; three exploratory borings; laboratory tests for compressive strength, particle size and the moisture density of soil samples; engineering analysis to provide design parameters like allowable bearing pressures, friction, lateral resistance and lateral soil pressure; and written reports including borings logs and recommendations.

This contract will be charged to the Appropriation Fund No.939240-0130-6200-7100-S.

The following resolution is recommended for adoption:

RESOLVED: That authorization be and is hereby given to contract with Geo/Resource Consultants Incorporated, for geotechnical services for the Project: CCSF, Tennis Courts Renovation, at a cost not to exceed $8,195.
