DATE: January 18, 2001

TO: Board of Trustees

FROM: Dr. Philip R. Day, Jr., Chancellor

SUBJECT: GRANTS
Approval to submit an application and accept funds received - Sacramento City College
(Resolution No. 010118-B11)

BACKGROUND INFORMATION:

This resolution requests authorization to submit an application and appropriate all funds related to a grant from the Health Care Delivery Initiative of Sacramento City College. The Center for Student Success, a grant-funded program at City College of San Francisco (CCSF), will use the grant to conduct a study of what prerequisites will ensure student progress and success through the registered nursing programs in the state’s community colleges.

This will be a joint project involving scholars, educational researchers, and analysts from the Center for Student Success (CSS), the California State Academic Senate and CCSF. A team of researchers from CSS will work closely with the registered nursing program consortium of community colleges, the State Chancellor’s Office of the California Community Colleges (COCCC) Economic Development Program’s Health Care Initiative, to develop, conduct, analyze, and disseminate the findings of the proposed research project.

The Center for Student Success will deliver the following: a report on the impact of current prerequisites upon student success within community college nursing programs, a set of statistically-validated prerequisite models that can be used by community college programs, and a set of electronic and hard-copy presentations that can be used in regional conferences throughout the state. The total of the grant is $109,080 for the period of February 1, 2001, to December 31, 2001.

No additional physical space or in-kind match is required. City College of San Francisco is the fiscal agent.
Income
Associate Degree Nursing Program Consortium (Health Care Delivery Initiative)  $109,080

Expenditures
Project Coordinator  $20,000
Research Specialists (2)  48,000
Peer Review Panel Participants (4)  8,000
Survey Costs  10,000
Travel  10,000
Publication/dissemination of materials/reports  5,000
Indirect Cost @8%  8,080
Total  $109,080

RECOMMENDATION:

RESOLVED: That authorization be given to submit an application and appropriate all funds receivable upon approval from the Health Care Delivery Initiative of Sacramento City College for the period of February 1, 2001, to December 31, 2001, in the amount not to exceed $109,080, and

FURTHER BE IT RESOLVED: That the Chancellor, Vice Chancellor of Finance and Administration and/or their designees are hereby authorized to execute any and all documents on behalf of the District to effectuate this resolution.
