Subject: GENERAL FUND
Adoption of Nonresident Tuition Fee Rate in Grades 13 and 14 for the Fiscal Year 2001-02
(Resolution No. 010222-B1)

BACKGROUND INFORMATION:

California Education Code Section 76140 requires that each community college district charge a fee to nonresident students and this should be approved on an annual basis. Further, in adopting a tuition fee for nonresident students, each community college district shall consider nonresident tuition fees of other public community college.

For the current fiscal year (2000-2001), the per semester unit non-resident tuition fee rate for City College is $130. The per semester non-resident tuition fee computed for 2000-02 for all districts statewide is $134. The per unit non-resident tuition fee for 2001-02 for districts contiguous to the SFCCD are as follows:

<table>
<thead>
<tr>

<th>2001-02 Non-U.S. Citizen</th>

Given the needs of our students of the high cost living/studying in the San Francisco Community College District, it is recommended that the nonresident tuition fee rates for 2001-2002 be unchanged and remain at the 2000-01 level of $130 per unit for U.S. Citizens and $136 per unit for non-U.S. Citizens.
RECOMMENDATION:

Section 1 - That in accordance with California Education Code Sections 76140 and 76141, the per semester unit non-resident U.S. citizen fee rate of $130. and per semester unit non-resident, non-U.S. citizen fee rate of $136. be adopted for non-resident students enrolled in grades 13 and 14 for the Fiscal Year 2001-02.

Section 2 - That nonresident students who:

(a) are enrolled in six units or less will not be exempt from the nonresident tuition fee; and

(b) are both citizens and residents of a foreign country will not be exempt from the nonresident tuition fee.
