TO: Board of Trustees

FROM: Dr. Phillip R. Jr., Chancellor

SUBJECT: GRANT
Authorization to Transfer Federal College Work-Study funds into Federal Supplemental Opportunity Grant funds.
(Resolution No. 000525-B9)

BACKGROUND INFORMATION:

The College received $553,704 for the Federal College Work-Study allocation for the 1999-2000 fiscal year.

The funds were distributed to instructional and student development departments with the requirement that expenditures must be completed within a one-year period ending June 30, 2000. Of the initial award to the College of $90,348 is still available at this time. This balance is still available because students did not work as much at the college during 1999-2000.

It is recommended that these available funds be transferred to the Federal Supplemental Opportunity Grant program and be awarded to students in the form of grants. Federal College Work-Study funds must be returned to the Federal government if unused by June 30, 2000.

RECOMMENDATION:

RESOLVED: That authorization is hereby granted to transfer $90,348 unspent Federal College Work-Study funds to the Federal Supplemental Opportunity Grant fund to be awarded to students in the form of grants, and

FURTHER BE IT RESOLVED: That the Chancellor, Vice Chancellor of Finance and Administration, and/or their designee is hereby authorized to execute any and all documents on behalf of the College to effectuate this resolution and to submit any and all reports requested by the U.S. Department of Education in the administration of said program.
