**Use back side if necessary.**

1. What course objectives would you like to address?

2. What's the goal/learning outcome for the tech component you want to develop?

3. Will other faculty in your department participate?

   *Faculty agree that their courses will be designed and developed according to DSPS guidelines for web site accessibility for disabled students as set by standards and criteria adopted by the College. Implementation of this requirement will be in conjunction with training and support from the TMI Instructional Design team. Faculty agree that their course will comply with copyright laws.*

1. Your computer operating system:  □  Win98  □  Win2000  □  WinXP  □  Mac OS 9  □  Mac OS X
2. What email program do you use?  
3. How do you connect to the Internet from home?
   □  Dialup (56K modem)  □  DSL  □  Cable  □  Other:  
4. Do you currently have a web site?  □  Yes  □  No
   If yes, please give the url:  

If there is anything else you would like us to know, please note it on the back of this sheet.
