Federal Financial Aid Payments for Repeated Courses.

Per new federal law, Federal Financial Aid funds can be paid for only ONE REPETITION OF A PREVIOUSLY PASSED COURSE. Passing grades are “A”, “B”, “C”, “D”, and “P”.

A student may repeat a FAILED course until it is passed.

Please see the following examples:

- **Example #1**
  The student took Engl. 92 (3 units) in Spring 2013 and passed with a “D”.
  The student repeated the course in Fall 2013 and passed with a “C”.
  If student enrolls in the same course in Spring 2014, he/she will not be paid for this course again.
  Therefore, if the student is enrolled in 12 units (full time) in Spring 2014, the repeated Engl.92 course will not be funded by financial aid and the student will receive payment for 9 units (3/4 time).

- **Example #2**
  The student took Engl. 92 (3 units) in Spring 2013 and passed with a “D”.
  The student repeated the course in Fall 2013 and received an “F” – did not pass (eligible for payment, first repetition).
  If the student enrolls in the same course in Spring 2014, he/she will not be paid for this course again.
  Therefore, if the student is enrolled in 12 units (full time) in Spring 2014, the repeated Engl.92 course will not be funded by financial aid and the student will receive payment for 9 units (3/4 time).

- **Example #3**
  The student took Engl 92 (3 units) in Spring 2013 and received an “F” – did not pass, or “W” – withdrew.
  The student repeated the course in Fall 2013 and received an “F” – did not pass, or “W” – withdrew.
  If the student enrolls in the same course in Spring 2014, he/she may receive payment for the course.
  The student can continue repeating the course with non-passing grade (like “F” or “W” - withdrew) and receive financial aid until either disqualified due to Satisfactory Academic Progress requirements or the Office of Admissions and Records no longer allows the student to enroll based on State regulations.
