Associate in Arts or Associate in Science Degree
City College of San Francisco, a two-year college, confers the degrees of Associate in Arts or Associate in Science on students who satisfy the course and grade requirements for graduation.

Extensive Choice of Disciplines and Courses
The College offers you an extensive choice of disciplines and courses. Additionally, you may complete the first two years of training for a profession, satisfy freshman and sophomore requirements for transfer to baccalaureate degree-granting institutions; prepare for employment at the end of two years or a shorter period of training; take evening, Saturday, and summer courses; remove educational deficiencies; or get other special preparation.

Instructional areas include the following:

Program in General Education. An extensive selection of courses in the humanities, the arts, the natural and social sciences, and other fields.

Transfer Program. Courses offered to satisfy lower-division requirements to enable students to transfer to baccalaureate degree-granting institutions as juniors.

Occupational Program. Training for employment in occupations normally requiring two years or less of specialized career preparation.

Diversity Studies. Courses directed specifically to the interest and educational objectives of major segments of the San Francisco community including courses in African American, Asian American, Latin American, Lesbian, Gay, Bisexual and Transgender, and Philippine Studies.

International Education. Courses taught in other countries through Study Abroad and courses taught locally for international students, including an Intensive English Institute.

Distance Education Courses. Courses that are offered via online, hybrid and televised instruction.

Foundation Courses. Basic courses in business, English, guidance, and mathematics.

Noncredit Courses. Mostly open-entry/open-exit courses, many emphasizing vocational education, leading to employment or job upgrading but also including courses in English as a second language, elementary-level and secondary-level skills, workforce preparation, parent education, health and safety, home economics, citizenship for immigrants, and special courses for disabled persons and older adults.

Community Service Offerings. Workshops and other short-term offerings that serve community interests and for which fees are charged because no tax support is available.

City College at a Glance
- Approximately 85,000 students served annually in a diverse campus community
- Nine centers and over 100 instructional sites throughout the city
- 2,000 faculty
- High transfer rate to 4-year universities
- Over 50 academic and 100 vocational programs
- Extensive student support services
- Job placement assistance
- Free noncredit courses
- Low cost credit courses

College Accreditation
City College of San Francisco is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, 10 Commercial Blvd., Ste. 204, Novato, CA 94949, (415) 506-0234, an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education. The accreditation evaluation report is available for examination in the Chancellor's Office, Conlan Hall, Room 200. In addition, many occupational curricula the College offers have specialized accreditation by, or approval from, recognized national or state agencies. For further information, please see the catalog sections for the following departments: Administration of Justice and Fire Science, Aircraft Maintenance Technology, Culinary Arts and Hospitality Studies, Dental Assisting, Environmental Horticulture, Health Education, Health Information Technology, Home Health Aide/Nurse Assistant, Medical Assisting, Nursing (Registered), Nursing (Licensed Vocational) Paramedic, Radiologic Sciences.

Student Development
City College offers a wide variety of services which are designed to help make your educational experience successful and rewarding. The Scholarship and the Financial Aid Programs, the Student Health Service, Veterans Services, Disabled Students Programs and Services, the Extended Opportunity Program and Services, the Childcare Service, the Peer Adviser Program, the Information Center, and other services are available to assist you as you work toward attaining your educational goals.

Counseling Services
As a student at City College, you receive individual counseling from a professional counselor. Your instructors also advise and help you. Through its counseling programs, the College helps you choose an occupation; plan a program of study based on your interests, abilities, and needs; develop educational plans; provide various types of educational counseling, including academic, career, transfer, and personal, and assist you with personal problems or other matters affecting your studies or your college career.

Career Center
As a CCSF student or alumni, you are entitled to all the career services provided by the Career Center. Counselors will assist you in making your career/job choices, setting your educational career goals, selecting your major, becoming job ready and seeking employment.

Career services include individual career counseling, online advising, workshops, career success courses (LERN 60, 61, 62, 63, 64, 68, and 1062), job resource information and job placement referrals. The schedule of classes and workshops, as well as other events can also be found on our website www.ccsf.edu/CareerCenters. For more questions call 239-3117.

Learning Assistance Center
The Learning Assistance Center offers a variety of programs and services designed to help you become a more efficient, independent learner and to make your educational experience at City College more successful. The Tutorial Center provides free tutoring in mathematics, business, social sciences, foreign languages, and other subjects. English instructors and tutors are available to help you in the Writing Success Project. The LAC Computer Lab offers access to the Internet and e-mail, and to educational CD ROM and software programs. College Success Courses and Career Success Courses are offered through the Learning Assistance Department, Interdisciplinary Studies Department, and Career Development and Placement Center. College
success workshops are also available. The Learning Assistance Center at the Mission Center offers many of these services as well.

**Associated Students**

Any student currently enrolled in a class at City College of San Francisco is a member of the Associated Students (AS). The AS Constitution sets up an Executive Board as a representative body for all CCSF locations to facilitate communication, leadership, and advocacy. Each location may adopt its own set of by-laws to guide local governance.

Each spring the Associated Students elects a student trustee to represent their interests on the San Francisco Community College Board of Trustees. Further, AS appoints all student participants for shared governance.

The AS Ocean Campus funds such diverse programs as the Book loan program for low income students; an emergency student loan fund; developing a program of cultural events and activities; selecting student representatives on college-wide shared governance committees; Dr. Betty Shabazz Family Resource Center, Guardian Scholars, HARTS, Multi Cultural Resource Center, Queer Resource Center Women’s Resource Center, Student Health, Students Supporting Students, and more than 70 clubs and campus organizations. There is a $5 optional Student Activity Fee, payable at registration, to help support these activities.

The Associated Students can be reached in the Student Union Building at the Ocean Campus or by contacting the main office at (415) 239-3801 all other locations.

**Inter-Club Council (ICC)**

Recognized and funded by the Ocean Campus Associated Students, the ICC consists of elected representatives from over 70 clubs. For more information about an existing club or about starting a new club, please stop by the Student Union Room 213 and pick up a club packet.

**Student Activities Office - Student Union**

City College of San Francisco provides a program of student activities that encourages student leadership, participation in shared governance, and involvement in campus life. Information is available in the Student Union Building, Room 205, Ocean Campus.

The Student Union at the Ocean Campus is a place where recognized student organizations can meet, socialize, and sponsor events. It is also a place where individual students and small groups can study and relax. There are AS Councils that sponsor student activities at the following locations: Civic Center, Chinatown, Downtown, Evans, Gough, John Adams, Mission and Southeast.

**Transfer to Universities and Colleges**

To earn the Bachelor’s or a higher degree, or to complete training for a profession, you may transfer from City College to a university or a college as follows:

If, when you enter City College, you have already satisfied the requirements for admission to a university or a college, you may transfer with full credit whenever you have completed the proper university courses satisfactorily. Because the College is accredited nationally and offers preparation for so many fields, you have a wide choice of schools at which to take advanced courses. Generally, to be eligible for transfer, you will need an average final grade not lower than C in all courses that you attempt.

If you need to make up high school courses or grades, you may remove your deficiencies while you take the university courses for which you are qualified. The courses and grades necessary for transfer and the number of semesters you will need to complete depend upon the requirements of the university or college at which you plan to continue your studies.

The section in this catalog entitled “Transfer Information” lists general transfer requirements for the University of California (all campuses) and California State University (all campuses).

Articulation agreements which list detailed information concerning specific majors and which describe course transferability and applicability between City College of San Francisco and public baccalaureate degree-granting institutions in California are available online, [www.assist.org](http://www.assist.org). Other articulation information for City College can be found at [www.ccsf.edu/artic](http://www.ccsf.edu/artic).
## Associate Degrees and Certificate Programs

### Administration of Justice and Fire Science

**ASSOCIATE DEGREE**
- Administration of Justice Major (AS) .................. 67
- Fire Science Technology Major (AS) .................. 69
