CurricUNET Assessment Module TASK GUIDE
(September 25, 2015 Version)

Viewing Publicly Available Assessment Reports

1. Click the following link: http://www.curricunet.com/ccsf/
2. Under Search in the bottom of the left-hand menu, choose Outcome Assessments.
3. Use the drop-down menus to filter your search to a particular Outcome Assessment Type.
4. Depending on the assessment type you choose, you can further filter your search by such things as unit or course name, outcome, and submission date.
5. Click SEARCH and scroll through a list of results.
6. Click on the REPORT icon to the left of a particular outcome assessment report to view the report.
   - Most reports have only one icon, which is the main outcome assessment report filed.
   - ILO, GELO, Course, and Certificate or Major PSLO assessment reports have two report icons. One is the main report. The other is a collated report that contains ALL CRN-level assessment reports mapped to this ILO, GELO, Course, or Certificate or Major Program SLO.

For more detailed instructions, visit: http://www.ccsf.edu/curricunet then find and follow links to the Assessment Module – View public reports.
