By completing this form, I authorize my child’s participation in course(s) offered by City College of San Francisco (CCSF). I understand that these course(s) are accelerated and more advanced than high school courses. I further understand that my child is required to comply with the Rules and Regulation of CCSF and that the CCSF grade becomes part of my child’s permanent school record*.

• Concurrently enrolled high school and home schooled students are authorized to select a maximum of three (3) semester units per school semester, unless the selected course has a higher unit designation value. Student must have successfully completed 120 high school credits with a GPA of 2.0 or higher.

• Students may select two (2) courses or up to a maximum of six semester units, unless the two courses have higher unit designation value. Students must have successfully completed 204 high school credits with a cumulative GPA of 2.0 or higher.

• Official High School transcript required

• High School students are not allowed to enroll in Physical Education courses.

• High school students must satisfy course prerequisites and eligibility requirements for some courses (placement testing may be required).

• CCSF cannot guarantee enrollment, therefore, please indicate a first, second, third or fourth choice for course selection on the High School Concurrent Enrollment Permission/Consent Form.

• Grades are permanent on your college record, they cannot be removed and will be used to calculate cumulative CCSF GPA (College classes are more advanced and accelerated than high school classes).

• Students are responsible to drop classes on time; please refer to the online time schedule at www.ccsf.edu/Schedule, under important dates for drop deadlines.

• Students are responsible to activate and check their CCSF email. All important CCSF information will be sent there. Activate it by logging-in to your Web4 account under Personal Information and click on “Student CCSFmail”.

• Students are required to act as responsible and ethical members of the campus community, please refer to Student Code of Conduct to find out important information.

• Participation in Orientation and Counseling is strongly encouraged.
