

Direct Deposit Action Instructions

Please Read Carefully and Follow Instructions

The City College of San Francisco (CCSF) Direct Deposit Authorization (DDA) form will start, change or discontinue deposits for all payments received from CCSF Payroll Services. Employees have the option to deposit earnings in up to three accounts at up to three financial institutions.

Name: Please be sure that the name used on the DDA form matches the name on your financial institution(s)' account and the name on your Social Security card. Many financial institutions will not post funds if the name on the account does not match the name on the direct deposit file submitted by CCSF. CCSF must use the legal name on the employee's Social Security card for W-4 and Direct Deposit records. To change the legal name on a CCSF employment file, a copy of the new Social Security card and an updated W-4 form must be submitted to CCSF Payroll Services.

Direct Deposit Action Requested:

1. Check **Start** to begin direct deposit for the first time.
2. Check **Change** if direct deposit is established and an addition or change of financial institution(s) and/or account(s) is desired.
3. Check **Discontinue** to stop direct deposit.

Account Number(s): Please make sure the account number(s) written on this form are correct. If you are unsure, PLEASE CONTACT THE APPLICABLE FINANCIAL INSTITUTION.

Transit Routing Number(s): This is the nine-digit number that identifies the financial institution (bank, savings and loan or credit union). It is found in the bottom left hand corner of personal checks for Direct Deposit(s) into checking accounts. Savings account transit routing numbers should be verified with the financial institution(s) because the banking codes are not correct on deposit slips. If the transit routing number(s) are incorrect, funds will not be posted to account(s). If you are unsure, PLEASE CONTACT THE APPLICABLE FINANCIAL INSTITUTION.
