City College of San Francisco (CCSF) is the LEA, Local Education Agency, who provides the classroom-based instruction for the apprenticeship programs. CCSF, in cooperation with the California Division of Apprenticeship Standards and local Joint Apprenticeship Committee (JATC), offers apprenticeship programs in Plastering, Plumbing, Heating, Ventilation, Air Conditioning & Refrigeration, Roofing, and Steam Fitting.

**BEING AN APPRENTICE**

- Become skilled in a trade, and get paid to do it.
- Receive classroom and hands-on instruction.
- Work side-by-side with a professional/journey person.
- Receive excellent benefits – safe working conditions, health insurance, and pension plans.
- Receive a nationally recognized certificate upon completion.

**MINIMUM REQUIREMENTS**

- Be at least 18 years of age.
- Provide a valid California Driver’s License or birth certificate for proof of age.
- Have a high school diploma, G.E.D. certificate, or equivalent.
- Be able to perform physical requirements.
- Provide legal right to work documentation.

Apply during the apprenticeship open period.
