Foundations for Community Health Workers,
Second Edition

Trainer Instructions for Using Videos

We have created over 80 videos to be used for in-class learning and for trainer support. All of the videos were developed with the participation of current CCSF students, working CHWs, CCSF faculty, and local public health experts. The videos feature brief demonstrations of core CHW competencies for working directly with clients, as well as interviews with faculty, CHWs and other experts. The videos range from 1 to 8 minutes in length and are designed to focus in on a particular concept or skill.

The videos created for the 2nd edition of the textbook are available at the Foundations YouTube channel: https://www.youtube.com/channel/UCKSB1-LQsFsRp24Q9W2Jlw. Alternately, go to www.youtube.com and search for “Foundations for Community Health Workers.”

For instructions on using the videos during training activities, please see the "Training Guide to Foundations for Community Health Workers, Second Edition." It is available free of charge at the Wiley/Jossey-Bass website: www.wiley.com/go/berthold2etg

Tips for using videos in training sessions

To use a video as part of a training activity, you will need the following:
• Reliable Internet connection
• Laptop computer or tablet with connector cables
• Video projector or television or large monitor
• Set of speakers that attach to your laptop or tablet

Test your setup before students arrive. Make sure you can both see and hear the videos. Each video begins with an opening sound, use this to adjust the volume.

Play video full-screen

Play the video full-screen by clicking on the brackets icon in the bottom left of the play bar. This limits distractions and makes the video easier to see.
Use Captions

Use captions by clicking on the **CC icon** on the play bar. This can benefit all learners including ESL and hearing impaired students.

---

Search for a specific video

Click the **video** tab and then click on the **magnifying glass** in the navigation bar at the top.

Type a search term(s) into the field and then press return. You can search by:

- Chapter number
- Title of video
- Topics, such as **cultural humility**

A list of videos that match your criteria appears. Click either the video title or the image to play the video.

Please be advised that the YouTube interface changes with some regularity. You will always be able to see the list of all videos in the channel by clicking the video tab – whether it is located at the top of the screen or on the side.
