This Collective Bargaining Agreement ("Agreement") between the Department Chairpersons Council ("DCC") and the San Francisco Community College District ("District") sets forth the terms and conditions of employment of Department Chairpersons represented by the DCC. The terms and conditions of employment set forth herein are intended to recognize and reinforce both the District's management authority over City College operations and the Department Chairpersons’ supervisory authority as District representatives and spokespersons for their departments.
ARTICLE 1 RECOGNITION

A. Bargaining Unit

The Board of Trustees of the San Francisco Community College District, hereinafter referred to as "Board" or "District," recognizes the Department Chairperson Council (DCC or "Association") as the sole and exclusive representative of the supervisory employees in positions enumerated in the EERB Decision HO-R-48, Case No. SF-R-519-525, dated December 22, 1977, which includes the positions enumerated and agreed to in Appendix A-1, attached hereto and incorporated herein by reference. It is understood and agreed by the District and the Association that the term "Department Chairperson(s)" as used throughout the provisions of this Agreement is synonymous with "supervisor(s)"; and, the term "Department Chairperson(s)" as used throughout the provisions of this Agreement refers to and includes positions with the title of Department Chairperson and positions with the title of Department Program Director.

B. New Positions

Any new position(s) designated by the Board as supervisory or any new position(s) that the Association views as supervisory shall be discussed by the representative(s) of the District with the representative(s) of the Association and such position(s) shall, if mutually agreed, be included within the unit. Any position(s) in dispute shall be referred to the PERB for determination without recourse to the grievance procedure herein.

C. Classification

A Department Chairperson shall be classified as a contract scheduled academic, regular scheduled academic, categorically funded academic, temporary (part-time) academic, or pro-rata academic employee.

D. Temporary (Part-Time) Employee

A temporary (part-time) employee (one hired for no more than the equivalent of ten (10) units) designated as a Department Chairperson shall immediately become a member of the unit. To the extent that the District hires temporary (part-time) Department Chairpersons, such hiring will not be for purposes of evading the provisions of this Agreement.
ARTICLE 2  EFFECT OF AGREEMENT

1  It is agreed that the specific terms and provisions of this Agreement shall prevail over
2  District practices and written policies wherever such practices or written policies are
3  inconsistent with such terms and provisions.
ARTICLE 3    PAST PRACTICES

A. Entire Agreement - It is agreed that this contract comprises the entire agreement between the Association and District on all matters within the scope of representation, and neither party hereto has any further obligation to meet and negotiate on any such matters during the term of this Agreement, with the exception of matters subject to reopener negotiations as specified in this Agreement.

B. Obligation to Bargain - The above provision is not intended to relieve the District of the obligation to bargain prior to changing any existing written rules, regulations or practices where such rules, regulations, and practices are within the scope of representation.
ARTICLE 4 SEPARABILITY AND SAVINGS

A. If any provision of this Agreement or any application of this Agreement to any employee or group of employees is rendered invalid by operation of law or held invalid by a court or other tribunal of competent jurisdiction, such provision shall be inoperative, but all other provisions shall not be affected thereby and shall continue in full force and effect. The parties agree that they shall, upon the request of either party, within fifteen (15) workdays subsequent to any such decision, meet for the purpose of negotiating such new terms or conditions required to correct the declaration of invalidity. Neither party shall go to court with the intent to overturn any provisions of this contract.

B. If closure of the College or consolidation with another community college district is required by a final decision in the accreditation process, the District will consult with the DCC before determining a course of action.
ARTICLE 5  NON-DISCRIMINATION

A. City College of San Francisco prohibits discrimination on the basis of race, religion, sex, national origin, creed, ethnicity, age, physical or mental disability, political affiliation, sexual orientation, ancestry, color, medical condition (e.g., cancer or cancer related illness; HIV/AIDS or related conditions), genetic characteristics (e.g., non-symptomatic carriers of inheritable diseases), gender identity, marital or domestic partner status, parental status, veteran status, height, or weight.

B. The Grievance Procedure herein may not be used for any claims arising hereunder for which another administrative forum, such as the Equal Employment Opportunities Commission (EEOC) or the Department of Fair Employment and Housing (DFEH) is provided by law. For purposes of this Article, the Public Employment Relations Board shall not be considered an administrative forum.
ARTICLE 6 MANAGEMENT RIGHTS

A. The District’s exercise of its express and implied legal powers, rights, duties, and responsibilities, e.g., the adoption of policies, rules, regulations, and practices in furtherance of these powers, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement.

C. Dues Deduction

The District will deduct from the pay of Association members and pay to the Association the normal and regular monthly Association membership dues as voluntarily authorized by Association members, in writing, by the employee on the District Payroll Deduction Authorization form, subject to the following conditions:

Requests for released time shall be made in writing by the President of the DCC or designee to the Director, Employee Relations, or designee, and shall be received as early as possible prior to a scheduled session. In no event, however, may a request for such released time be received less than one workday in advance in order for a member to be eligible for released time.

2. Grievances - No paid released time shall be used or granted Association representatives for grievance preparation. Association representatives shall be released from their regular work duties without loss of pay or benefits, when grievance resolution meetings with management are scheduled during the regular working hours of the members involved.

Either party may request a consultation meeting where they believe a resolution of a problem or problems may be feasible. The party requesting such a meeting shall, in writing, submit an agenda to allow an understanding of the problem to be discussed or resolved and the date, place, and time requested. The receiving party shall, within three (3) workdays, notify the requesting party of agreement or non-agreement to the meeting. Such meeting shall not be unreasonably denied. 5. A Department Chairperson shall be notified in writing of any intended entry into her/his file which is deemed derogatory in nature other than formal evaluations. The Department Chairperson shall have the right to respond in writing within fifteen (15) workdays of official receipt of the notice of proposed placement of derogatory material in her/his file. Date of receipt shall be indicated either by certified mail with return receipt or by hand delivery by management/designee with a verification of date of delivery by the management/designee where the unit member refuses to acknowledge receipt by her/his signature and date. Nothing herein precludes any other reasonable verification of receipt.

6. Appeal Procedure

6.1 Notwithstanding 4 or 5 above, if a unit member wishes a removal or correction of material being placed in her/his file, he/she shall, within fifteen (15) workdays from the time he/she
ARTICLE 11  PERSONNEL FILES

was informed of the intention to place derogatory material in her/his file:

6.1.1 Prepare in writing a detailed and complete explanation of the reason(s) such material in question should be removed or corrected.

6.1.2 Send by certified mail or hand delivery, with official signature of receipt obtained, this explanation, along with a request for review of the matter, to the Associate Vice Chancellor of Human Resources/designee.

6.2 Based upon the facts presented in the explanation, the Associate Vice Chancellor of Human Resources/designee shall respond in writing within fifteen (15) workdays as to her/his decision.

6.3 An appeal to the appropriate Vice Chancellor may be filed by the unit member by certified mail or hand delivery, with official signature obtained, within fifteen (15) workdays following receipt of the decision of the Associate Vice Chancellor of Human Resources/designee.

6.3.1 Such appeal must include the original explanation and reasons for appeal as well as the Associate Vice Chancellor of Human Resources/designee decision, and

6.3.2 Shall identify, in writing, why, specifically, the Associate Vice Chancellor of Human Resources/designee decision is being appealed.

6.4 Either the employee or the appropriate Vice Chancellor may request a personal conference. Any such conference shall be by mutual agreement and held, where possible, within fifteen (15) workdays. Such conference shall be limited to only those matters presented in writing in 6.3.1 and 6.3.2 of the previous step. The unit member is entitled to representation at this conference, but he/she may waive this right.

6.5 The appropriate Vice Chancellor shall communicate her/his decision, in writing, within fifteen (15) workdays of initial receipt, or ten (10) workdays subsequent to a conference held between the parties, whichever is the longer period. The appropriate Vice Chancellor's decision is final and binding.
ARTICLE 11  PERSONNEL FILES

6.6 Failure of the unit member to comply with the time limits at any step shall forfeit all rights to further processing. District’s failure to respond within time limits constitutes an automatic denial and automatically entitles the petitioner to proceed to the next step. Time is of the essence in all steps; time limits and steps may be waived by mutual agreement.

7. Material excluded from review by the unit member and the Association includes ratings, reports and records obtained prior to the employment of the unit member and any other material related to application for other positions in the District. Where inconsistent with the law, this subsection shall not apply.

8. Upon request by a unit member, copies of any material which he/she is entitled to review shall be made for her/him. The first copy of material used by the District in any disciplinary, dismissal, or grievance proceeding will be provided at no cost. Any other copies will be at cost.

9. The District shall inform each unit member requesting to see her/his file of the existence of those records maintained separately. Where a unit member specifically requests to review those official records, the District shall provide for such review.
ARTICLE 12 WORK ENVIRONMENT

A. The District shall comply with all health and safety regulations of the California Occupational Safety and Health Act of 1991 as applied to California community colleges. Unit members will actively participate in these compliance efforts, including reporting any work environmental issues to their supervisor and to other appropriate offices.

B. The District shall make reasonable efforts to provide adequate clerical support to unit members. Where clerical support assistance is not available or timely, Department Chairpersons may contact their appropriate Dean, who shall assess the situation and make reasonable efforts to accommodate as warranted by the situation.

C. To the extent practicable, the District shall inform DCC and affected Department Chairpersons in writing prior to implementation of plans affecting the level of classified support received by unit members. DCC may request consultations within ten (10) workdays after notification.
ARTICLE 13 LEAVES

A. Unit members shall receive paid and unpaid leave benefits in accordance with the current District/AFT Contract. No Department Chair compensation (detailed in Article 16.A.2) shall be paid to a unit member while on a sabbatical leave. Department Chairpersons in a categorically funded status shall receive paid and unpaid leave benefits in accordance with the provisions of their applicable grant contracts.

B. A unit member on a leave for no more than eight (8) consecutive regularly scheduled workweeks shall have the right to return to her/his Department Chairperson-position after such a leave. He/she shall continue to receive the Department Chairperson compensation during this leave unless (1) a Dean selects a temporary replacement in accordance with Article 14.I, or (2) the Dean temporarily assumes the duties and responsibilities of the Department Chairperson who is on leave. In either event, the Dean shall complete the appropriate form (Appendix F) and the Department Chairperson compensation portion of the salary shall be suspended. The Association shall be immediately informed in writing when such temporary replacements occur.

C. For leave requests of more than eight (8) consecutive regularly scheduled workweeks during a semester, the District shall decide at the time the leave is requested whether or not the unit member will be allowed to resume her/his position upon return from the leave, except where otherwise provided by law.

1. The unit member may, upon her/his request, have a personal conference with the Dean as part of the leave application process.

2. If the leave is granted without the condition that the unit member may not return to her/his duties upon return from leave, then the unit member may return to her/his duties upon return from leave.

3. If the leave is granted with the condition that the unit member may not return to her/his duties upon return from leave, then the Dean must indicate in writing the reasons for this decision. The Dean’s statement of reasons must be included in or attached to the District’s letter in which the leave is granted. Within ten (10) workdays of receipt of the Dean’s decision, the unit member may withdraw the leave application. No unit member shall be removed from her/his position as a result of a leave application that is withdrawn pursuant to this provision. A unit member who withdraws her/his leave application may appeal the Dean’s decision under Article 13.C.5.

4. If the leave request is denied, then the Dean must indicate in writing the reasons for this decision. The Dean’s statement of reasons must be included in or attached to the District’s letter in which the leave is denied.
ARTICLE 13 LEAVES

5. Within ten (10) workdays of receipt of the Dean’s decision to either deny the leave or to grant the leave with the condition that the unit member may not return to her/his duties upon return from the leave, the unit member may appeal to the appropriate Vice Chancellor. The Vice Chancellor must respond within ten (10) workdays of receipt of the unit member’s appeal. Within ten (10) workdays of receipt of the Vice Chancellor’s response, the unit member may appeal to the Chancellor. The Chancellor must respond within ten (10) workdays of receipt of the unit member’s appeal. The Chancellor’s decision shall be final.
ARTICLE 14 ELECTION/SELECTION OF DEPARTMENT CHAIRPERSONS

A. The procedures outlined below are designed to assure that the selection of a Department Chairperson reflects the needs of faculty in the department as well as the needs of management. Selection of all Department Chairpersons shall be a management prerogative, subject to the following procedures:

C. Eligibility to Serve - Eligibility to serve as Department Chairperson shall be limited to

1. Full-time faculty members of the department who are tenured or tenure-tracked and who have taught/worked the majority of their load during the current and immediately preceding semesters in the involved department. For the purpose of this Article, sabbatical leave shall be considered "teaching/working."

2. Part-time faculty shall be eligible to serve in special circumstances with prior mutual agreement between DCC and District.

D. Eligibility to Vote - Eligibility to vote in Department Chairperson elections shall be limited to

1. Those full-time faculty (including categoricals) who have taught/worked the majority of their load in the department during the current and immediately preceding semesters. For the purpose of this Article, sabbatical leave shall be considered "teaching/working," and those on sabbatical leave during the current semester shall be polled by mail at their last known address.

2. Those part-time faculty and long-term substitutes (including categoricals) who have taught/worked the majority of their load in the department during the current semester and have taught in any department in any two preceding semesters. Such faculty shall be entitled to one-half (½) of a vote.

E. Voting Procedure - Where, in a current or newly-formed department, due to resignation, retirement, end of term, or removal for adverse cause, a Department Chairperson position is open, all faculty in the department shall be so informed in writing, and those faculty eligible to vote shall express their preference in the following manner:

1. Two lists of faculty in the department shall be compiled by the Human Resources Office and verified by the DCC by September 15, using the forms in Appendices D-1 and D-2: a list of those eligible to serve as chairperson, and a list of those eligible to vote.

2. The official list of those eligible to serve as Department Chairperson, along
with a small envelope and a large envelope, shall be sent to all faculty
members of the department who are eligible to vote by October 15. Each
eligible voter shall cast one (1) vote (or one-half (½) vote) for her/his choice
for Department Chairperson, and

2.1 Place the completed form in the small envelope, and seal;
2.2 Place the small sealed envelope in the large envelope bearing her/his
name, sign under the printed name, and seal;
2.3 Return the envelope to the polling box within two (2) calendar weeks
from the original date of mailing.

3. Ballots shall be opened and tallied by one District representative and one
DCC representative within the three (3) workdays following the voting
deadline.

4. Following the tally, the DCC and the Human Resources Office shall each
notify the individual of her/his election by the department, but not the vote
counts. The results of the voting shall be confidential except that, within
four (4) workdays of the tally, the overall vote totals (percentage) shall be
available for scrutiny at the Human Resources Office by those receiving
votes.

5. If no candidate receives greater than 50% of the vote, a run-off election shall
be held between the top two (2) candidates, following the procedure outlined
above in 14.E.2-3. In unusual situations that do not fit this formula, those
candidates to be included in the run-off election shall be determined in
consultation between the District and the DCC. Run-off elections shall be
held as quickly as practical.

F. Interview by the Chancellor /Designee. - The results of the election shall be
forwarded to the Chancellor/Designee, who shall interview the highest vote-getter.
If the second highest vote-getter in the department receives votes within ten (10)
percentage points of the candidate with 50% or more of the vote, that person shall
be similarly interviewed by the Chancellor/Designee. The appointment shall be
made before the end of November, unless a run-off or second election requires the
extension of this deadline.

G. Appointments

1. If the Chancellor/Designee accepts the qualifications of (one of) the
individual(s), that individual shall be officially named Department Chairperson
for a three-year term.

2. If the Chancellor/Designee has cause, the Chancellor/Designee may appoint
the individual to a one-year term. The Chancellor/Designee and the Dean
ARTICLE 14  ELECTION/SELECTION OF DEPARTMENT CHAIRPERSONS

shall meet with the individual, who may be accompanied by a DCC representative, to explain the cause. During this one-year term, a routine evaluation shall be conducted in accordance with Article 10.

2.1 If the evaluation is satisfactory, the individual shall be appointed to the remaining years of the term.

2.2 If the evaluation is “needs improvement,” Article 10.G will not be invoked. The appropriate Vice Chancellor may decide to continue the individual’s appointment as Chair. If the appropriate Vice Chancellor decides not to continue the individual’s appointment, the Department Chairperson shall resign and an election to fill the remainder of the term shall be held. The appropriate Vice Chancellor and the Dean shall meet with the individual, who may be accompanied by a DCC representative, to explain the basis for the decision.

2.3 If the evaluation is unsatisfactory, Article 10.H will not be invoked. The Department Chairperson shall resign and an election to fill the remainder of the term shall be held. The appropriate Vice Chancellor and the Dean shall meet with the individual, who may be accompanied by a DCC representative, to explain the basis for the decision.

3. If the Chancellor/Designee determine not to appoint the individual referred to them, that individual shall be entitled to subsequently meet with the Chancellor/Designee for the purpose of hearing the Chancellor/Designee’s rationale for not appointing the individual. The individual shall be entitled to Association representation at any meeting held between the Chancellor/Designee and the individual not being appointed.

4. The parties agree to collaborate on a training program for new Department Chairpersons.

H. Department Chairpersons’ Terms of Office

1. Department Chairpersons serve a three-year term, except as provided for in Sections G.2, I, and K.

J.  Resignation

1.  The resignation of a Department Chairperson from her/his Department Chairperson’s position shall be in writing and submitted to the Dean with a copy to the Vice Chancellor and Associate Vice Chancellor as applicable.

2.  Where the Department Chairperson is also resigning from the District, such resignation shall be in writing and in accordance with contract provisions in the District/AFT Contract.

K.  Probationary Faculty

1.  A probationary faculty member may not be appointed to a term of office as a Department Chairperson that would exceed the period of her/his faculty contract. A second and/or third year appointment would not require a new vote/consensus procedure.

   African-American Studies
   Asian Studies
   Asian-American Studies

3. Department Chairpersons shall be credited, for purposes of placement on the tables in A.2 above, with the number of previous years of service in a Department Chairperson position.

4. Such Department Chairperson compensation for reassigned units are for a full instructional calendar year of performance of Department Chairperson duties and responsibilities. Department Chairperson compensation for service of less than a full year shall be prorated to the number of days served in relation to the service days required in the instructional calendar, except for the provisions stated in Article 13.B.

5. In no case shall any Department Chairperson receive additional Department Chairperson compensation for Department Chairperson duties and responsibilities in more than one department.

6. District shall pay during each academic year, for those who are members, District contribution to the State Teachers' Retirement System or the San Francisco City and County Employee's Retirement System for all compensation.

B. Extra Pay for Work Beyond the Appropriate Calendar

All hours/days worked by Department Chairpersons in excess of the Work Year (Article 15.A) shall be eligible for compensation only with mutual agreement between a Department Chairperson and her/his immediate Dean, or, where applicable, as required by a categorical grant. The supervising administrator must give prior approval for extra pay for Department Chairperson duties to be completed outside
ARTICLE 16  COMPENSATION

the appropriate calendar, and Department Chairpersons must submit a timesheet identifying work completed.

Such compensation shall be at the credit instructional or counseling overload hourly rate applicable in accordance with the compensation provided in the current District/AFT Contract if the work performed by the Department Chairpersons is supervisory in nature. All other hours of non-supervisory work performed by Department Chairpersons shall be at the instructionally-related hourly rate in accordance with the compensation provided in the current District/AFT Contract.

C. Overload

Department Chairpersons, with the approval of the immediate dean, may teach/work one overload class or its equivalent each semester at the appropriate salary rate. Such overload assignments shall not exceed six (6) hours in any academic year. Exceptions may be made only with the approval of the appropriate Vice Chancellor. An additional overload class of three (3) hours, provided it is scheduled in the evening or on Saturday, shall be given due consideration by the administration. The annual total of overload assignments shall not exceed twelve (12) hours in any academic year, with no carryover of these hours from year to year.

D. Payment Policy

1. Installments - A Department Chairperson on an annual salary basis, who has served a complete school year in a contract or regular status, shall be paid in twelve (12) equal monthly installments. A Department Chairperson in a categorically funded full-time status may be paid in twelve (12) equal monthly installments, or in accordance with the terms of a grant contract.

2. Less Than Full Work Year - A District contract or regular scheduled employee who serves less than a full work year shall receive as salary only an amount that bears the same ratio to the established annual salary for the position as the number of working days he/she serves bears to the total number of work year working days specified in this contract.

A Department Chairperson who serves less than a full work year shall have her/his annual salary divided into equal installments if possible.

E. Professional Growth

Department Chairpersons shall receive the professional growth benefits in accordance with the District/AFT Contract provisions.
ARTICLE 16  COMPENSATION

For attendance at professional meetings related to the Duties and Responsibilities described in Article 8 and Appendix G, Department Chairpersons shall also be eligible to apply for administratively assigned travel funds.

F. Substitute Teaching

It is not the responsibility of Department Chairpersons to teach the classes of instructors who are absent. However, where consistent with the policy on class substitutions, and where no qualified instructor can be located, the Department Chairperson may substitute in the instructor's classes. Monetary compensation for such substitution shall be the same as that received by instructors normally substituting for such classes.

G. Retirement

Department Chairpersons in District regular or contract status shall retain the same retirement benefits as regular and contract academic employees consistent with their status as determined by the State Teachers' Retirement System or the San Francisco City and County Employees' Retirement System, and relevant Education Code provisions.
ARTICLE 17  REASSIGNED TIME

A.  FTES and FTEF for disciplines - The reassigned units assigned to Department Chairpersons for their duties and responsibilities for a given academic year shall be determined by FTES (Full-Time Equivalent Students) or FTEF (Full-Time Equivalent Faculty) as defined below. Such figures shall be verified by DCC prior to implementation by the District.

1. FTES shall include the FTES for resident, non-resident, and international students for all classes in a department.

   FTES for the academic year shall be determined by summing the fall, spring, and the following summer of the academic year.

   FTES generated by an individual class shall be counted in only one department.

2. FTEF shall be determined by the full-time equivalent instructional and/or instructionally related assignments in the department—including day, evening, and weekend instructional and/or instructionally-related assignments of both full-time and part-time academic personnel, each academic semester, as of the first census day.

   FTEF for the academic year shall be determined by summing the fall, spring, and the following summer of the academic year.

   FTEF shall be counted in only one department.

B. Reassigned Units for Department Chairpersons

1. The following table shall be used in determining the reassigned units for all Department Chairpersons, including terms that begin in August 2019:

Refer to Appendix A-2 for a list of departments.
ARTICLE 17 REASSIGNED TIME

The DCC and the College administration have a shared interest in increasing both enrollment and productivity. Aligned with state apportionment formulas, the overall college productivity goal is 17.5 (FTES divided by FTEF).

Where department FTES and FTEF would yield different amounts of reassigned units, the higher reassigned units shall be used.

The reassigned units for a Department Chairperson shall be determined in the year of selection (as noted in Article 14.H) based on the FTES and FTEF values of the academic year immediately preceding the selection year.

Reassigned units shall remain constant for the three-year Department Chairperson term, regardless of changes during that term to Department FTES and FTEF, or any temporary chairperson appointments made pursuant to Article 14.I.

C. Additional Reassigned Units (formerly Extra Specific Reassigned Units – ESRU)

Additional Reassigned Units over and above those assigned pursuant to the base formula in Article 17.B. may be allocated to the department by the Vice Chancellor of Academic Affairs. Such additional reassigned time is designed to recognize additional work required by Department Chairpersons that is not reflected in the base formula, and/or additional work performed by department faculty in support of the Department Chairperson. All additional reassigned time for departmental activities that fall within the Department Chairperson’s contractual responsibilities (Article 8 and Appendix G) shall be evaluated using the process indicated below.

Department Chairpersons may make requests for renewal of existing additional reassigned units or for new additional reassigned units. Requests must specify whether the additional reassigned units are for the Department Chairperson or for department faculty, the applicability of the request to the complexity factors listed below, and the duration of the requested units.

Requests must be made in writing to the Vice Chancellor/designee before the end of the fourth week of the Fall semester for the following academic year (e.g. request in Fall 2018 for units to be assigned for the 2019/20 academic year). Requests for additional reassigned time may also be made at other times when sudden, extenuating circumstances arise.

The Vice Chancellor must respond to the requests in writing by the end of the seventh week of the semester. The response shall specify the duration and amount of any allocation.

Prior to the beginning of each semester the Vice Chancellor/designee shall forward a report of the current distribution of existing additional reassigned units to the DCC and appropriate Department Chairpersons. Where additional
reassigned units are assigned to department faculty, Department Chairpersons shall ensure that the details of such assignments are submitted in a timely manner to the Office of Instruction.

In evaluating requests for additional reassigned units, the Vice Chancellor shall consider, but not be limited to, the following complexity factors:

1. Academic Program and Student Support. Departments that have distinct programs that require focused coordination and/or student advising; departments that screen student applications.

2. Unusual Levels of Supervision. Departments that have significant programs at multiple campus/center locations; departments that have a large number of classified support staff; departments where typical Department Chairperson activities (e.g. schedule development) are significantly complex.

3. Coordination with External Entities. Departments that have external special accreditation; departments with a high number of clinical placements; departments with a high number of internships/externships.

4. Physical Environment and Facilities. Departments that require the supervision and maintenance of extensive equipment and discipline-specific facilities.

5. Other. Departments with other complexities not specified above.
ARTICLE 18  FRINGE BENEFITS

A. Full-time Department Chairpersons will receive fringe benefits in accordance with the provisions of the current District/AFT Contract.

B. Temporary (part-time) Department Chairpersons who are in the unit will receive fringe benefits in accordance with the provisions of the current District/AFT Contract.
ARTICLE 19  GRIEVANCE PROCEDURE

A. Purpose - To provide an orderly procedure for reviewing and resolving grievances promptly.

B. Definitions

1. Grievance - An allegation by a Department Chairperson that she/he has been adversely affected by a violation of a specific article, section or provision of this Agreement. Exclusions to this process are noted in Article 5.B.

1.1 A grievance, as defined in this Agreement, shall be brought only through this procedure.

1.2 Action to challenge or change the policies of the District as set forth in the policies, rules and regulations, or administrative regulations and procedures not contained within this Agreement, must be undertaken under processes determined by present existing policies.

2. Grievant

2.1 Any unit member with a grievance;

2.2 Any group of unit members having the same grievance;

2.3 The Association where there is a specific Association right alleged to have been violated, e.g., use of mailboxes/bulletin boards, use of equipment, Association parking permits, etc.

3. Day (for purposes of this Grievance Article) - Any day on which the central administrative functions are conducted by the District.

C. Time Limits

1. Grievant who fails to comply with established time limits at any step shall forfeit all rights to further application of this Grievance Procedure for that grievance.

2. District failure to respond within established time limits at any step constitutes denial, and entitles the grievant to proceed to the next step in accordance with established time limits. However, at Procedural Step Two (Administrative Level), the District shall always insure that the grievant receives in writing a detailed explanation for a denial of the grievant's grievance.'

3. Time is of the essence in all processing of grievances.
ARTICLE 19  GRIEVANCE PROCEDURE

4. Time limits and procedural steps may be waived by mutual agreement.

D. Other Provisions

1. Nothing contained herein shall deny to any unit member her/his legal rights under state or federal constitutions and laws.

2. A unit member may be represented and accompanied by a designee of her/his choosing at any step in this procedure.

When there are class-action/group grievances, one (1) unit member shall represent, at all steps and levels, the entire group, excepting those specifically not desiring to be included.

2.1 In all grievance proceedings, except the final step of this procedure, including class-action/group grievances, both the Association and the District shall be limited to a total of three (3) representatives each, unless mutually agreed otherwise.

3. Any grievance or alleged grievance that occurs during the period between the termination date of this Agreement and the effective date of a new agreement shall be processed under this Grievance Procedure.

4. The time and date of any meetings at any stage or level of this procedure shall be by mutual agreement among the grievant, her/his designee, and administration. Any such meeting shall, whenever possible, be during non-duty hours of the grievant or designee.

5. Whenever any meeting is agreed to, or required, during the grievant's or designee's regular duty hours, he/she shall be excused with pay for that purpose.

6. Only matters essential to the proper maintenance of an accurate personnel file may be placed in a Department Chairperson's personnel file. Except for the final remedy, no material used or developed solely for processing a grievance shall be placed in the Department Chairperson's personnel file.

7. If the grievant chooses to represent herself/himself, the Association shall be given a copy of the grievance at the time of submission at Procedural Step Two.

When the Association is not the designated representative of a unit member in the Grievance Procedure, the District shall not agree to a resolution of the grievance at any formal step until the Association has received by certified mail a copy of the grievance and the proposed resolution, and has been given an opportunity to file a response. Such response shall be filed
ARTICLE 19 GRIEVANCE PROCEDURE

by the Association within ten (10) workdays of receipt of such proposed resolution. Failure of the Association to respond within this time period constitutes agreement with the proposed resolution.

8. The parties shall exchange, upon request, pertinent information necessary or required to process any grievance.

9. Unit members or designees shall not investigate or prepare grievances during their regular duty-hour assignments except to the extent required in 19.D.5.

10. Grievant shall not be allowed or permitted to assert any new grounds or new evidence beyond Procedural Step Two (Administrative Level) which were not included, in writing, on the original grievance form submitted at Procedural Step Two, unless in direct response to additional items brought up in the written decision(s) of the administrative representative(s).

E. Procedure

1. Step One

1.1 Within twenty (20) workdays of the time a unit member knew or reasonably should have known of the occurrence of an alleged grievance, the unit member shall discuss the alleged violation with the administrator involved. The unit member may be accompanied by a representative.

1.2 Within ten (10) workdays, if a satisfactory resolution is not reached, the grievant will notify the appropriate Vice Chancellor who will assign an uninvolved administrator to facilitate a second resolution meeting of the unit member and the administrator involved. The process described herein will be accomplished within ten (10) workdays.

2. Step Two - Administrative Level

2.1 If a satisfactory resolution is not reached in Step One, the unit member shall submit within five (5) workdays, in writing, on the Statement of Grievance Form—Step Two (Appendix E), the detailed particulars of the alleged violation(s) to the administrator to whom the unit member reports. The administrator shall promptly certify in writing to the grievant the receipt of the grievance form.

until the Board meeting, a hearing on the grievance. Such hearing
shall be either public or in executive session in accordance with the
grievant's request, or, by mutual consent, such hearing may be
scheduled with a Board representative to record and recommend
Board action.

4.3 The Board shall, at its next regular Board meeting, after hearing or
receiving the Board representative’s recommendation, submit by
certified mail or by hand delivery its decision on the grievance in
writing to the grievant.

DEPARTMENT CHAIRPERSON POSITION DESCRIPTION

Purpose, Scope and Authority of the Department Chairperson

Under the direction of a Dean and in the area of responsibility, a Department Chairperson ("Chairperson") has the dual purpose to:

1) Implement academic policies and procedures at the department level that flow from CCSF’s mission; and
2) Provide academic leadership to faculty in meeting the needs of students.

As a front-line supervisor, a Chairperson is both a representative of the administration and a department spokesperson. In representing CCSF administration to faculty, the Chairperson articulates the needs, concerns, and goals of the District and implements administrative policies and procedures at the department level in support of officially adopted College Plans and Board Goals. In representing a department to administration, the Chairperson articulates the needs, concerns and goals of the department in order to inform administrative decision-making. Chairpersons have supervisory authority within the College’s organizational structure related to one or more disciplines and the specific exercise of such authority is subject to approval by the Dean.

The Chairperson’s role includes the following:

- **Coordinate** the duties, responsibilities and evaluation of faculty.

- **Hire, orient, schedule, supervise and evaluate** emergency faculty hires, substitute faculty, classified employees assigned within the department, student workers, individuals under contract, and volunteers.

- **Recommend** a plan for the direction of academic programs.

- **Facilitate** the development of and recommend curriculum that meets the quality standards set by the State Chancellor of Community Colleges and CCSF District Administration, and coordinate course development with other departments, programs, and services as appropriate.

- **Develop and recommend** a schedule of classes in advance of each semester that meets students’ needs, enrollment goals, and department instructional budgets.

- **Recommend** effective enrollment strategies to her/his Dean; initiate, after consultation with the Dean, the cancellation of low enrolled classes and the addition of new and combined sections; work with students affected by changes to the schedule of classes; and implement administrative direction, after consultation
with her/his Dean, with respect to the preceding in compliance with College policies and contracts.

- **Develop and assign** faculty work schedules that correspond to the schedule of classes and other departmental activities that meet student need and demand, subject to the final approval of the Dean, and supervise faculty performing instructionally related activities affecting the department.

- **Facilitate the hiring process** for full time and part time faculty in compliance with College policy and contracts.

- **Ensure** that the courses taught to students at the College are current as to general educational and specific topical trends, ideas, methods and techniques.

- **Demonstrate** primarily through an annual plan or program review, how the department accomplishes its goals, assess student learning outcomes, and maintains academic integrity and high quality education.

- **Monitor and report** on the academic integrity and performance of the delivery of the highest quality of education to students.

- **Demonstrate** effective leadership while contributing to participatory governance at CCSF.

- **Implement** the policies and procedures set by CCSF District Administration and provide department input to the Administration on policies and procedures within the College’s administrative structure.

- **Plan and report** on the operational needs of the department.

- **Support** the Dean to achieve academic and budgetary goals and **provide** the Dean with departmental input necessary for the development, achievement, and success of these goals.

- **Effectively communicate** with her/his dean, administration, students and faculty.

- **Develop and maintain** positive relationships with administration, faculty, classified staff, students, and communities served by the College.

- **Lead** department meetings.

[Insert Address]

Dear [Insert Name]:

Congratulations on being elected as Chairperson of the [Insert Department] Department. As you begin your term of office you should be aware of the fact that, while you are serving as Chair, you are a “supervisor” (bottom line management) and are now a member of a different collective bargaining agency: The Department Chairperson Council (DCC). During the time you are Chair, you cannot vote or otherwise serve in the American Federation of Teachers, Local 2121 (AFT).

However, since Chairs come and go from the faculty rank, you may wish to continue your membership in the AFT (that is, continue to pay dues), especially if you wish to maintain your credit union and/or any insurance that you may have through the auspices of AFT. Furthermore, many Chairs continue to pay dues to AFT during their tenure as Chairs in recognition of the fact that AFT still negotiates many conditions of your employment (salaries, benefits, etc.) and occasionally represents you (with approval from DCC) in matters that deal with your role as a faculty member.

If you wish to resign your AFT membership while you are serving as Chair, you must notify AFT in writing immediately. Otherwise, you need take no action.

We wish you a productive term of office.

Sincerely,

Darlene Alioto, President, Department Chairpersons Council
