Hats Off to Our Class of 2020
Message from The Board of Trustees

On behalf of the Board of Trustees at City College of San Francisco it is my honor to say Congratulations Class of 2020—you did it! You have persevered through an unprecedented time and we are so proud of all of you. Commencement is the highlight of our year where our board, faculty, staff, and administration witness the fruits of our labor, and City College truly shines. As you take the next step in your journey remember your City College family will be cheering you on. We are inspired by all of you reaching for your dreams and believe that your dreams do not end here. You can accomplish anything that you put your mind to and remember your support system. Accomplishing a goal such as this takes focus and dedication and also remembering those that helped you along the way. We wish you all the best on your next endeavor and please share with us all your wonderful accomplishments, we know there will be many.

SHANELL WILLIAMS
President, Board of Trustees
A Message to the Class of 2020
of City College of San Francisco

Welcome class of 2020!

Completing all your course requirements and graduating is certainly reason enough to celebrate. But to do so in this environment of a global pandemic is extraordinary! Congratulations!

What are you going to remember most about your experience with City College and this accomplishment? Your favorite course, favorite teacher? The class you hated but had to get through to complete your graduation requirements? Meeting and making new friends? The long days and nights, and balancing everything life threw at you this year? What I hope you remember, and what you take away from your experience in getting to today—your graduation day—is that YOU CAN DO ANYTHING YOU SET YOUR MIND TO. You have the talent, the smarts, and most importantly, the determination and courage to push through and finish. That determination, what some call grit, is what you will need to complement your talent and smarts for just about anything you encounter in life. Maintain your self-confidence, without being arrogant, and you can take on the world! And I hope you do. You are the future. And the future will be brighter for us all when you get and stay involved in making a difference.

You’ve already made a huge difference in so many lives and likely don’t even realize that. You’ve set an example for your kids, sisters, brothers, moms, dads, partners, classmates—just about everyone with whom you’ve interacted the entire time you were on this journey. And I am so proud of you, and grateful that you chose to take that journey with us at City College here to support you. Please know, just because you’re graduating, the support doesn’t end.

I have been a part of community college graduations as a college administrator for several years, and it never gets old. There is nothing that compares to the excitement of seeing the sense of accomplishment from each graduate as they walk across the stage, and the rousing cheers and support from friends and family members. For that reason, I hope you all participate in next year’s commencement ceremony when we can truly, exuberantly, celebrate you and your hardearned success.

Dianna Gonzales
Interim Chancellor, City College of San Francisco
Of the people, for the people of San Francisco

San Francisco has always seen itself as a leader in innovation, personal freedom, and self-determination. Perhaps no institution captures those values better than City College of San Francisco. With 11 locations woven throughout our city, it has evolved into a multicultural, accessible, and affordable provider of higher education of the highest quality. With an unparalleled selection of classes and accomplished faculty, City College offers more than 250 degrees and certificates, transferable credits, online courses and career advancement classes.

In the Fall of 2017, City College became the first in the nation to offer free college tuition for all San Francisco residents through its Free City initiative. Free City is a direct reflection of the value that San Franciscans place on making college accessible and affordable for all.

Directory Information is defined as information contained in an educational record of a student which would not generally be considered harmful or an invasion of privacy if disclosed. It includes, but is not limited to the student’s name, address, telephone listing, date and place of birth, level of education, major field of study, participation in officially recognized activities and sports, weight and height of members or athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended.
