CITY OF SAN FRANCISCO ORDERS “SHELTER IN PLACE”
EFFECTIVE, 12:01 AM, TUESDAY, MARCH 17
until
TUESDAY, APRIL 7

Dear CCSF Community:

Moments ago, Mayor Breed announced an official order for all residents to “shelter in place”. This means that we are to stay home except to conduct essential tasks such as going to the grocery, pharmacy or bank.

The complete announcement and the Mayor’s executive order are attached. Please read them and act in accordance.

For CCSF, this means that all buildings and facilities will be closed effective at 5pm today. Facilities and public safety will continue essential operations as directed by Senior Vice Chancellor James Sohn.
All other faculty, staff and administrators are to prepare now to leave the building and not return until at least April 7.

We will update this message and have more detailed information later today. For now, the most important thing is to take care of yourself and your families.

If you have any immediate questions, please email them to Leslie Milloy: lmilloy@ccsf.edu

Thank you and be well,

Dr. Mark W. Rocha, Chancellor
