Cross-Registration
San Francisco Consortium: City College of San Francisco is a member of the San Francisco Consortium. Through the functions of the Consortium, a variety of educational opportunities are made available to students of the member institutions. For example, currently enrolled, full-time, matriculated students may register for credit in courses offered by San Francisco State University, but pay City College fees. Cross-registration is permitted if the course is not currently offered at the home institution, if the course is lower level, if space is available in the course offered by the host institution, and if the student has satisfied course prerequisites and is enrolled in 12 units at the home institution. This cross-registration policy applies only to the regular sessions of the academic year and specifically excludes summer sessions, extension courses, and similar programs. Forms for this program are available at the Office of Admissions and Records, Conlan Hall E107.

Mills Cross Registration Program: City College students may take up to four courses (one per semester) at Mills College in Oakland. Students must be enrolled in or have completed English 1A and have completed 12 units of UC or CSU transferable courses with at least a 2.0 grade point average. to take the UC Berkeley course. Students pay City College fees for the course. Applications are available from the Counseling Office in MUB 39.

**Student Success and Support Program (SSSP)**

It is the policy of the college to ensure equal educational opportunity for all students. Student Success and Support Services (previously known as Matriculation services) at CCSF assist students in developing and realizing their educational goals. Each matriculating student is entitled to:

- Math and English/ESL course placement assessment
- Orientation to College programs and services
- Counseling and advisement
- Opportunity to develop a Student Educational Plan with the assistance of a counselor

Each matriculating student is expected to:

- Declare an educational goal following completion of 15 semester units and participate in the development of a Student Educational Plan

**SSSP Services Exemption Policy**

Students may be excused from participating in any or all of the SSSP services if they meet the exemption criteria below:

  - Transfer to a college or university, or
  - Attainment of certificate, degree or basic skills (i.e., math, English, and/or ESL), or
  - Career development, OR

*Please note: Students who exempt from any SSSP service will not receive course registration priority.*

You may obtain the Matriculation (SSSP) Exemption Form at the Admissions and Records Office and the Matriculation Office in Conlan Hall, or online at http://www.ccsf.edu/dam/ccsf/documents/matric/ExemptionForm.pdf

For further information, call (415) 239-3751.

**Matriculation Steps for Enrollment in Credit Classes**

Students are more likely to succeed in college when they have an accurate assessment of their skills, an idea of their educational goals, and an understanding of the course selection and registration processes. Matriculation services are designed to inform students about how the “system” works. Therefore, unless exempted, all new students must complete the five-step matriculation enrollment process. Students should complete the process as early as possible to receive a priority registration appointment, which will increase chances of enrolling in classes of choice.

**STEP ONE — APPLICATION FOR ADMISSION.** All new students must file an online application for admission at www.ccsf.edu, or with the Office of Admissions and Records, Conlan Hall, Room E107

NOTE: An additional application may be required for admission into specific programs. Consult the department chairperson of the program you are interested in.

**STEP TWO — ORIENTATION.** The online or in-person orientation session will focus on registration activities, interpretation of placement test results, and information about programs and services that students need to know upon enrollment. Students may also participate in the online orientation at www.ccsf.edu/New_Students.

**STEP THREE — PLACEMENT ASSESSMENT.** City College of San Francisco placement tests are administered to all new students who plan to enroll in credit classes unless they meet the Placement Testing Waiver or SSSP Exemption criteria. These tests are one way of measuring students’ skills in English or ESL, reading and mathematics. Counselors will use these results along with other information to help students decide on a program of courses that best suits the students’ educational needs and interests. The test results are used for placement purposes only; they cannot be used to prevent any student from studying at CCSF. (See “Placement Testing Waiver” for alternate way to meet the assessment component.)

CCSF placement test results achieved before March 1993 are no longer valid and cannot be used to meet course or program prerequisites. If your placement test results were achieved before March 1993, you must re-take the tests if you wish to use the results to meet prerequisites.

**Multiple Measures Course Placement Process:**

Placement testing is only one factor that determines your Math and English or ESL course placement level at CCSF. Other factors (such as relevant high school and college courses you’ve taken and your GPA) are considered together with your placement test results. A counselor, whom you will see as part of the SSSP process, will evaluate any additional background information you may provide to further determine appropriate course placement.

For further information, see www.ccsf.edu/New_Students/test.htm.

**All students must take either the English or ESL placement test:**

- English - For native English speakers or those whose primary language is English, OR
- ESL (English as a Second Language) - For those whose primary language is not English.

**All students may begin Math placement testing with any of the following tests:**

- Arithmetic - For students who need to strengthen their basic arithmetic skills or who may be ready to study Elementary Algebra.
- Elementary Algebra - For students who have studied beginning algebra and may be ready to study Intermediate or Advanced Algebra.
- College Level Math - For students who wish to enroll in Trigonometry, Calculus, or higher. (Students must take Elementary Algebra Test first.)

**Placement tests may be taken in a computerized or paper-pencil format.**

- Computerized tests: Seating is limited, and first-come, first-served. Reservations are not required.
- Paper-pencil tests: Seating is not limited. Reservations are not required.

For dates and times of both computerized and paper-pencil testing, consult the CCSF Placement Testing Schedule available in the Admissions Office, Testing Office, or online at www.ccsf.edu/New_Students/test.htm
STEP FOUR — MEET WITH COUNSELOR. At the counseling appointment, a student will receive a program of courses and registration information.

STEP FIVE — REGISTRATION. Students are notified of their date and time to register for classes via their CCSF email account and their Web4 student portal. Students may register for classes on that date and time and thereafter during the registration period.

Residency Requirements
California Residence
Under the State of California Education Code, in order to establish residency, a person must pair his or her physical presence in California with the following provisions: 1) objective evidence of physical presence (one year and one day prior to the first day of instruction for the term for which he/she has applied as indicated in the Calendar of Instruction) and 2) intent to make California the home for other than a temporary purpose. There are other factors to be considered for non-resident students holding different visa types. These students are advised to contact the Office of Admissions and Records at (415) 239-3287 for clarification. Evidence of intent could include but is not limited to at least two of the following: voting in California elections, paying state income tax, obtaining a California driver’s license, registering a motor vehicle, maintaining continuous residence in California. Act of intent must be accomplished for one year.

City College may determine at the time of admissions or at a later date that such students may not have met the aforementioned residence requirement set forth for all California community colleges. Such students will subsequently be assessed and billed the nonresident tuition fee per unit at the current academic year rate.

Students who have not reached the age of 18 years are regarded as minors; their residence is that of one or both parents. Therefore, a student who is a minor is regarded as a resident of California only if one or both parents couple their physical presence in California (one year and one day prior to the first day of instruction for the term for which the minor has applied as indicated in the Calendar of Instruction) with objective evidence that the physical presence is with the intent to make California the home for other than a temporary purpose.

It is the student’s responsibility to clearly demonstrate both physical presence in California and intent to establish California residence.

Special residence regulations are in effect for married minors, for minors whose parents are deceased, for certain military members and their dependents, and for various others.

Continuing nonresident students at City College (with the exception of foreign students), who think that they meet the time and intent requirements necessary to establish California residency must contact the Office of Admission & Records for residency verification and adjustment.

For more information regarding California residency please call (415) 239-3287 or e-mail resident@ccsf.edu.

Residency Adjustments
Students are notified by email of their residency status after they apply to the college however residency adjustments are not automatic. It is the student’s responsibility to initiate a residency inquiry and to provide proof of California residency. Please call the Office of Admissions & Records (239-3287) or e-mail resident@ccsf.edu for the documentation accepted as verification.

Students who do not meet the residency requirements will continue to be charged the nonresident tuition as well as the enrollment fee.

Residency Appeals
Students may appeal their residency status as determined by the College through the following procedures:

1. Requests must be addressed, in writing, to the Associate Registrar, within two weeks of receipt of the notification.
2. If further review of residency status is required, a meeting with the Dean of Admissions and Records may be requested within two weeks of the review by the Associate Registrar.
3. Students are required to provide ALL documents required to verify their residency status.

Filing of Students’ Addresses
Every student must file his/her local and legal addresses with the Office of Admissions and Records. Students are required to notify the Office of Admissions and Records promptly concerning change
of either address. Students may update their address on-line at http://www.ccsf.edu. Click on to Personal Information.

All administrative, financial and academic holds must be cleared before you are allowed to register for classes.

Be prepared. The class that is your first choice may not be open. Select an alternative section of the course before beginning your Web4 session.

The registration system does not allow time conflicts, multiple registrations in the same course, enrolling in a course without fulfilling the prerequisites, multiple unauthorized repeats and exceeding the maximum number of units (18 semester units, Fall and Spring; 8 semester units Summer).

After the student has officially registered in classes, the student may add a course, change a section, drop or withdraw from a course within certain dates specified in the Calendar of Instruction. Information regarding these procedures is available in the online time schedule or from the Office of Admissions and Records.

Note: The Registration Center will charge a one-time $3.00 fee per semester for original Web4 online registration. There is no charge during Add/Change of Section/Drop/Withdrawal period.

**Class Attendance**

Students are expected to attend class regularly and punctually. At the first class meeting, the instructor provides the student with a class syllabus, defining the rules of attendance. If you are unable to attend the first class session, contact the instructor directly before the class begins.

A student who is absent from a class for any reason is responsible for the content covered during the absence and for making up any class work that was required.

Excessive tardiness may be considered equivalent to an absence. If the instructor drops/withdraws the student from a class for excessive absence, the student may request a Drop Reinstatement form the instructor, and may return to class upon the instructor's approval.

A student who stops attending a course and does not drop/withdraw from the class may receive a failing (F) grade from the instructor.

Do not rely on the instructor to drop/withdraw you from class for non-attendance. It is the student's responsibility to drop/withdraw within the deadline dates. Please see the current semester’s Calendar of Instruction.

**Auditing**

Classes may not be audited. Only students who are officially enrolled in a course may attend class.

**Student Email**

All City College credit students are issued a CCSF Mail address, provided by Google. All official CCSF email will be sent to the CCSF Gmail address. By using the CCSF Mail address, CCSF can ensure that students receive registration, financial aid and other important information. Students have the option to forward CCSF Gmail messages to an email account which they check regularly.

Students can find information about their CCSF Gmail address and password by:

1. Logging on to Web-4
2. Clicking on the Personal Information tab.
3. Scrolling down

Additional information may be obtained by phone from GMail Help Desk at 415-239-3987, by email at mailhelp@mail.ccsf.edu, or from the CCSF Mail FAQ website at http://ccsf.edu/gmailfaq. The FAQ website has details for logging on and forwarding email to a different address.

Students who object to using Google software should go to the Admissions and Records Office to request City College notifications via hardcopy.
