Cross-Registration
San Francisco Consortium: City College of San Francisco is a member of the San Francisco Consortium. Through the functions of the Consortium, a variety of educational opportunities are made available to students of the member institutions. For example, currently enrolled, full-time, matriculated students may register for credit in courses offered by San Francisco State University, but pay City College fees. Cross-registration is permitted if the course is not currently offered at the home institution, if the course is lower division, if space is available in the course offered by the host institution, and if the student has satisfied course prerequisites and is enrolled in 12 units at the home institution. This cross-registration policy applies only to the regular sessions of the academic year and specifically excludes summer sessions, extension courses, and similar programs. Forms for this program are available at the Office of Admissions and Records, Conlan Hall E107.

Mills Cross Registration Program: City College students may take up to four courses (one per semester) at Mills College in Oakland. Students must be enrolled in or have completed English 1A and have completed 12 units of UC or CSU transferable courses with at least a 2.0 grade point average. Matriculation Steps for Enrollment in Credit Classes
Students are more likely to succeed in college when they have an accurate assessment of their skills, an idea of their educational goals, and an understanding of the course selection and registration processes. Matriculation services are designed to inform students about how the “system” works. Therefore, unless exempted, all new students must complete the five-step matriculation enrollment process. Students should complete the process as early as possible to receive a priority registration appointment, which will increase chances of enrolling in classes of choice.

STEP ONE — APPLICATION FOR ADMISSION. All new students must file an online application for admission at www.ccsf.edu. or with the Office of Admissions and Records, Conlan Hall, Room E107

NOTE: An additional application may be required for admission into specific programs. Consult the department chairperson of the program you are interested in.

STEP TWO — ASSESSMENT AND PLACEMENT. All new students who plan to enroll in credit classes are required to complete assessment and placement unless they have been exempted from assessment. The newly enacted Assembly Bill (AB) 705 requires that a community college district or college maximize the probability that a student will enter and complete transfer-level coursework in English and mathematics within a one-year timeframe, and that a student enrolled in English-as-a-second-language (ESL) instruction will enter and complete degree and transfer requirements in English within a timeframe of 3 years.

AB 705 represents a significant change in the way students are placed. Students may be eligible to enroll in transfer-level math or English classes, or transfer-level courses with additional support. We encourage students to talk with a counselor or department advisor about English and Math course selection. Students who feel they need additional language acquisition support may want to take the Credit ESL Placement Test or talk to a counselor about the ESL sequence at CCSF.

Multiple Course Placement Process:
There are different ways to determine your English or ESL, and math course placement level at City College. Factors such as relevant college and high school coursework and GPA are considered. A counselor will evaluate any additional background information you may provide to further determine appropriate course placement.

STEP THREE — ORIENTATION. The online or in-person orientation session will focus on registration activities, interpretation of course placement, and information about programs and services that students need to know upon enrollment. Students may also participate in the online orientation at www.ccsf.edu/New_Students.

STEP FOUR — MEETING WITH COUNSELOR. At the counseling appointment, a student will receive a program of courses and registration information.

STEP FIVE — REGISTRATION. Students are notified of their date and time to register for classes via their CCSF email account and their student portal. Students may register for classes on that date and time and thereafter during the registration period.

College and/or Test Data Form
An alternate way to satisfy the assessment component and demonstrate eligibility for Math and English courses is to complete a college and/or test data form if you have already taken specific tests (e.g., SAT, ACT, AP) and/or successfully completed courses at other colleges. Submit a completed Placement Waiver Form and proof (e.g., transcripts, official test result reports) to the Office of Matriculation and Assessment, Conlan Hall 204, 50 Frida Kahlo Way, San Francisco, CA 94112, in person, by mail, by fax at (415) 452-5127 or via email at prereq@ccsf.edu. The form is available on the CCSF website at www.ccsf.edu/collegedata

CAUTION: The equivalent course (or score) may meet the Math and English requirement for graduation from City College of San Francisco, but it may not be transferable to a university. It is the student's responsibility to check the policy and requirements of the transfer college/university.

English
Students may demonstrate their eligibility for English 1A or 1B by submitting proof (e.g., transcripts, official test result reports) of one of the following:

1. University of California Analytical Writing Placement Exam score of 8 or higher - Eligibility: English 1A
2. Completion of a U.C. course satisfying the U.C. Entry Level Writing Requirement - Eligibility: English 1A
3. International Baccalaureate Exam scores:
   - IB High Level English A1 or A2, Exam score of 4 or higher – Eligibility: English 1A

   - SAT Reasoning Test, Critical Reading Section: 500
   - SAT Reasoning Test, Writing Section: 680
   - SAT II Writing Subject Test: 660
   - SAT Verbal (before 4/95): 510
   - SAT Verbal (after 4/95): 590
5. ACT English Test with score of 22 or higher - Eligibility: English 1A
6. Advanced Placement (AP) Exams:
   - AP English Language & Composition Exam:

In as much as City College is required by statute to report the California residence classifications of all students by the fourth week of the current semester, those students who fail to establish California residency by the
Residency Requirements
California Residence
Under the State of California Education Code, in order to establish residency, a person must pair his or her physical presence in California with the following provisions: 1) objective evidence of physical presence (one year and one day prior to the first day of instruction for the term for which he/she has applied as indicated in the Calendar of Instruction) and 2) intent to make California the home for other than a temporary purpose. There are other factors to be considered for non-resident students holding different visa types. These students are advised to contact the Office of Admissions and Records at (415) 239-3287 for clarification. Evidence of intent could include but is not limited to at least two of the following: voting in California elections, paying state income tax, obtaining a California driver’s license, registering a motor vehicle, maintaining continuous residence in California. Act of intent must be accomplished for one year.

City College may determine at the time of admissions or at a later date that such students may not have met the aforementioned residency requirement set forth for all California community colleges. Such students will subsequently be assessed and billed the nonresident tuition fee per unit at the current academic year rate.

Students who have not reached the age of 18 years are regarded as minors; their residence is that of one or both parents. Therefore, a student who is a minor is regarded as a resident of California only if one or both parents couple their physical presence in California (one year and one day prior to the first day of instruction for the term for which the minor has applied as indicated in the Calendar of Instruction) with objective evidence that the physical presence is with the intent to make California the home for other than a temporary purpose.

It is the student’s responsibility to clearly demonstrate both physical presence in California and intent to establish California residence. Special residence regulations are in effect for married minors, for minors whose parents are deceased, for certain military members and their dependents, and for various others.

Continuing nonresident students at City College (with the exception of foreign students), who think that they meet the time and intent requirements necessary to establish California residency must contact the Office of Admission & Records for residency verification and adjustment.

For more information regarding California residency please call (415) 239-3287 or e-mail resident@ccsf.edu.

Residency Adjustments
Students are notified by email of their residency status after they apply to the college however residency adjustments are not automatic. It is the student’s responsibility to initiate a residency inquiry and to provide proof of California residency. Please call the Office of Admissions & Records (239-3287) or e-mail resident@ccsf.edu for the documents accepted as verification.

Students who do not meet the residency requirements will continue to be charged the nonresident tuition as well as the enrollment fee.

Residency Appeals
Students may appeal their residency status as determined by the College through the following procedures:

1. Requests must be addressed, in writing, to the Associate Registrar, within two weeks of receipt of the notification.
2. If further review of residency status is required, a meeting with the Dean of Admissions and Records may be requested within two weeks of the review by the Associate Registrar.
3. Students are required to provide ALL documents required to verify their residency status.

Filing of Students’ Addresses
Every student must file his/her local and legal addresses with the Office of Admissions and Records. Students are required to notify the Office of Admissions and Records promptly concerning change of either address. Students may update their address on-line at http://www.ccsf.edu. Click on to Personal Information.

Student Classification
Full Time Students – Students registered in 12 or more semester units in the fall or spring semester are full-time students for that semester. A full-time student during the summer session is registered in six or more semester units.

Half/Part Time Students – Students registered in a minimum of six semester units in the fall or spring semester are half/part time students for that semester.

Advanced Standing
Previously completed course work from regionally accredited institutions will be considered for transfer to satisfy City College of San Francisco academic requirements for an associate degree or certificate. One month after enrolling at the College, students may request an evaluation of their Official Transcripts from other institutions to determine which of their courses are transferable. For information on how course work transfers to universities, consult with a counselor.

High School Honors Courses.
City College grants advanced standing and units to students who have completed Advanced Placements Examinations with scores of 3, 4, or 5, certified by the College Entrance Examination Board. A grade of Pass will be recorded for an appropriate college course or courses when verification and petition form is provided to the Office of Admissions and Records.

**Online Registration**

**Adding Classes, Changing Sections, Dropping or Withdrawing from Classes**
Students must be admitted to the College and have met the Matriculation requirements prior to registering for a class. A Registration Appointment is assigned to each student. You may begin Online Registration in Web4 any time after the appointment date and time. To view your Registration Appointment date and time, access your account in Web4 and select "Check Your Registration Status".

**How to Register Online**
To protect your confidentiality, it is strongly recommended that each student process their own registration.
All administrative, financial and academic holds must be cleared before you are allowed to register for classes.
Be prepared. The class that is your first choice may not be open. Select an alternative section of the course before beginning your Web4 session.
The registration system does not allow time conflicts, multiple registrations in the same course, enrolling in a course without fulfilling the prerequisites, multiple unauthored repeats and exceeding the maximum number of units (18 semester units, Fall and Spring; 8 semester units Summer).
After the student has officially registered in classes, the student may add a course, change a section, drop or withdraw from a course within certain dates specified in the Calendar of Instruction. Information regarding these procedures is available in the online time schedule or from the Office of Admissions and Records.

**Note:** The Registration Center will charge a one-time $3.00 fee per semester for original Web4 online registration. There is no charge during Add/Change of Section/Drop/Withdrawal period.

**Class Attendance**
Students are expected to attend class regularly and punctually. At the first class meeting, the instructor provides the student with a class syllabus, defining the rules of attendance. If you are unable to attend the first class session, contact the instructor directly before the class begins.

A student who is absent from a class for any reason is responsible for the content covered during the absence and for making up any class work that was required.
Excessive tardiness may be considered equivalent to an absence. If the instructor drops/withdraws the student from a class for excessive absence, the student may request a Drop Reinstatement from the instructor, and may return to class upon the instructor's approval.
A student who stops attending a course and does not drop/withdraw from the class may receive a failing (F) grade from the instructor.
Do not rely on the instructor to drop/withdraw you from class for non-attendance. It is the student's responsibility to drop/withdraw within the deadline dates. Please see the current semester's Calendar of Instruction.

**Auditing**
Classes may not be audited. Only students who are officially enrolled in a course may attend class.
