

## Hotel Management AS Major - Active

Department: Culinary Arts and Hospitality Studies

Approval: September 2016

Effective Semester: Fall 2017

Students may earn an Associate in Science Degree with a major in Hotel Management. This major prepares students to work in the rooms division of a hotel or lodging facility. These classes should be taken with A.S. degree requirements.

### Learning Outcomes

Upon completion of this program, students will be able to:

- Categorize the different departments within a hotel and explain the interactions between them.
- Use industry specific technology to retrieve, create, organize and communicate information in ways that inform and enhance individual and organizational performance
- Apply costing principles and trends to profitably operate hospitality establishments.

Assuming students start this AS with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.
