Satisfies area H2 graduation requirement at CCSF
and CSU Area D graduation requirement
Serves as a required course for the Sexual Health Educator
and Trauma Response and Recovery Certificates
Serves as an elective for the Community Health Worker Certificate
and as a required training course for Project SURVIVE peer educators

• Identify the political, social, and psychological causes of
  sexual harassment, child sexual abuse,
  intimate partner violence, and rape
• Analyze the connections between sexist, racist, classist,
  ableist, anti-Jewish/anti-Arab,
  homophobic and transphobic violence
• Learn the value of creative expression,
  especially writing, as a healing tool for sexual injury
• Explore strategies for transforming a violent culture
