By signing this form, I affirm that the information I have provided is accurate and I understand:

- ❖ Failure to complete and return this form **immediately after** Veteran priority registration, may cause a delay in my VA benefits.
- ❖ Completion of this CCSF form assures me of enrollment certification with the Department of Veterans Affairs, but does **not guarantee** payment from VA.
Payment depends on many factors such as being enrolled in approved programs that are on your Student Education Plan (SEP), Not owing money to VA for any overpayments, and compliance with all VA regulations.
- ❖ My coursework at CCSF can be decertified after prior credit is evaluated (military or college), which may result in overpayment of benefits. VA does **not** pay benefits for repeating courses that have been successfully completed.
- ❖ Any change in status (dropping, adding, withdraw, student data changes, etc.) must be reported **immediately** to the CCSF VETS Office. Changes in enrollment after certification may result in under/over payment of benefits of which I may be liable for repayment to VA.
- ❖ It is **my responsibility** to follow my education plan and know important college deadlines.
- ❖ The certification of my classes may take 4 to 6 weeks during peak enrollment periods and it may take the Department of Veterans Affairs an additional 6 to 8 weeks to process certificates received from the many schools reporting enrollment to VA.
- ❖ Once my enrollment is certified with VA, they will notify me by email message sent to my CCSF email account.
- ❖ Any changes made to your education plan **NEEDS** to be approved by a CCSF **veteran's** academic counselor.
- ❖ I understand that I still need to sign and complete a **Student Responsibility Contract** with a CCSF **veteran's** academic counselor.
- ❖ I must complete this form **EVERY SEMESTER** for which I want to receive VA education benefits.
