- Oceanography

New majors for the CCSF Associate Degree for Transfer (all approved by Curriculum Committee, but pending State approval):

- Physics (not in catalog)
- Psychology
- Speech Communication

Significant course revisions:

- Architecture design series now ARCH 101, 102, 103 (was DSGN 101, ARCH 21, 24)
- Lesbian, Gay, Bisexual, and Transgender Studies course prefixes changed from GLST to LGBT
- Spanish language sequence expanded to SPAN 1/1AB, 2/2AB, 3/3AB, 6/6AB

### Associate Degree Graduation Requirements (pg 46)

The Associate Degree for Transfer was added as an option. Catalog Rights language was modified to clarify that catalog rights end upon graduation.

### Mathematics options

New options are available to satisfy the Mathematics graduation requirement for the CCSF Associate Degree (pg. 46) and for the Placement Test Waiver (pg. 16-17). A score of 3 or higher in the Advanced Placement Calculus AB or BC exam may now count as Math 100A (pg. 420).

### Advanced Placement (AP) and English

A score of 3 on AP English Language and Literature and English Language and Composition exams now count as English 1A, and can be used for the Placement Test Waiver (pg. 16-17), Graduation Requirements, Area B (pg. 48) English Eligibility (pg. 224) and CCSF credit/equivalence (pg. 419).

### Credit by Exam (pg 416)

Students no longer need to have completed 12 units at City College of San Francisco to be eligible for Credit by Exam. Students should *not* be enrolled in the course being petitioned.

### Academic Renewal (see Catalog Addendum)

Language was updated to reflect that courses will not be lined out, but rather excluded from GPA calculations. Timelines and unit requirements were clarified.

### Incomplete (pg 411)

Student and instructor responsibilities about Incomplete Grade removal deadlines were clarified.
