ASSESSMENT AND PLACEMENT (Ocean Campus, **Matriculation Office**, Conlan Hall Room 203, **415-239-3751**)

CCSF no longer offer the Native English and Math Placement Tests. For more information about the different options to be placed into English and Math Courses, please visit www.ccsf.edu/ab705.

College and/or Test Data

Students who have completed previous college-level English and/or math coursework or have taken certain tests (Advanced Placement, SAT, ACT, etc...) should follow the College and/or Test Data process to receive their placements. Please meet with an academic counselor to develop your education plan in preparation for the new semester!

Get Your Math & English Placement Information

View your English and Math course placement based on the new English and Math course placement models per AB 705 by logging into Web4. You can review your course placement, Web Registration Appointment and other related information. Students who feel they need additional language acquisition support may want to take the Credit ESL Placement Test or talk to an academic counselor about the ESL sequence.

Testing General Info

Placement tests are one way of measuring the students' ESL skills. Placement test results are used for course placement purposes only. They are not used to prevent any student from attending CCSF. Counselors will use these results along with other information to help students decide on a program of courses.
