Subject: Permanent Chancellor Search - A Special Message from CCSF Board Trustee President: Shanell Williams

Importance: High

Dear City College Colleagues,

I hope your year is off to a great start and you and your loved ones are safe and healthy. As you probably know, we are beginning the search process for a permanent chancellor to join us in July. Let me pause for a second to reiterate our **thanks to Dr. Rajen Vurdien**, who has been leading CCSF with his indomitable spirit and commitment since last July. I'm sure he will be glad to return to retirement after a most vibrant year of service as our interim chancellor!

Yesterday, in our Board Retreat, we approved the **timeline and activities** for the chancellor search. It is attached and offers **multiple opportunities for your participation**. Please review it carefully and watch for announcements as the process unfolds, especially the public forums for finalists on April 20-22.

One of the first activities in which your participation is needed is on a short survey to help us establish **priorities for the new chancellor**. You will receive a **survey link next Monday, January 18th**. Please respond right away—it should take only 10 minutes to complete. This information will be used as we finalize the Position Announcement and screening process. Thank you in advance for your participation.

My colleagues on the Board of Trustees and I are committed to a **comprehensive, transparent, and inclusive search process to find the right leader for City College**. We will have a website with pertinent information about the search, and I will send out periodic updates.

Thank you for making City College a model of resilience as you continue to provide remarkable learning opportunities and critical services to our students and community in these trying times. Have the best spring term you can create!

Sincerely yours,

Shanell Williams

President, Board of Trustees
City College of San Francisco
