

**SAN FRANCISCO COMMUNITY COLLEGE DISTRICT
POLICY MANUAL**

Title: POLICY REGARDING HIRING UNION LABOR	Number: 7.10
Legal Authority: California Education Code Section 70902	Page: 1 of 1

The Board of Trustees supports a policy for the use of union labor to the full extent allowed by law.

Furthermore, prior to awarding a bid to a firm, a review will be made in order to ascertain whether or not the low bidder has had a history of causing labor disturbances or if the low bidder has failed to comply with the MBE/WBE policy of the San Francisco Community College District. If the Board finds either to be the case, new bids will be called for in accordance with law.
