

Scholarship Opportunities for Hospitality Students

Hundreds of scholarships are available through the American Hotel & Lodging Foundation to help college students further their studies and ultimately build a rewarding career in hospitality

Don't think your GPA or financial need is high enough? Think again. A commitment to hospitality is all you need (and a few minimum requirements), and with more than \$1 million in scholarships available, there's sure to be at least one that's right for you.

For more information or to fill out an online application, scan the QR Code or visit www.ahlafoundation.org.

HOW WILL I BE EVALUATED?

There are a few requirements, but they're pretty basic. Applicants must be enrolled in an undergraduate hospitality-related degree-granting program, with the exception of the Rama and Graduate scholarships, at a U.S. college or university. Qualifying majors include programs such as hotel/restaurant management, culinary arts, travel/tourism, and hotel administration. Each scholarship has additional requirements as well, so be sure to read them all before deciding which ones to apply for.

You'll be evaluated on academics, related work experience, extracurricular activities, financial need, honors, and personal attributes, but we're looking for more than a "cookie cutter" profile.

IS IT WORTH MY TIME?

With nine different scholarship programs and more than \$1 million to hand out to a few hundred recipients, it's never been easier to get tuition and textbook money. Scholarship awards range from \$500 to \$7,500, and unlike a loan, AHLA Foundation awards never needs to be paid back.

It takes less than an hour to apply. Wouldn't you say it's worth your time?

YOU GET MORE THAN JUST A SCHOLARSHIP!

Awardees of an AHLAF scholarship receive a free one-year membership to the American Hotel & Lodging Association (AHLA), placing you at the center of the industry with access to all the news, information, and events on which the nation's leading hotel companies rely. It keeps you in the know and in touch with the individuals who make the hiring decisions. You also receive an exclusive opportunity to join AHLAF's alumni group, a close-knit group of scholarship awardees who act as vital connections down the road. If you are under 30 years of age you'll also be able to join AHLA's newest membership category, the Under 30 Gateway, which includes a mentor program.

LET'S GET STARTED

Our scholarships fall into two categories: **self-nominated** and **school-nominated**. For self-nominated scholarships, you assess which ones you qualify for and then indicate the ones for which you want to receive consideration. (Your school does not have to be affiliated with AHLAF.) If you've been notified by a faculty member that you've been nominated by your school, be sure to check the appropriate box under "school-nominated" scholarships, as well as indicate any other self-nominated scholarships you're interested in.

Just remember, the application deadline is March 15.

This gift of education not only shows support for my learning, but it also reinforces my motivation to strive for my dream."

Rama Scholarship for the
American Dream

"Being an unaccompanied youth during high school, life was challenging. Upon graduating high school, I was on my own. After receiving the acceptance letter from the college that I've always wanted to go to, it was a concern of mine on how I would manage to pay for my college education. With your financial generosity, I am able to attend school without as much difficulty and focus more on my education. The AHLAF scholarship has allowed me to be one step closer to my goal. This scholarship has inspired me to help others by giving back to the community. I hope one day I will be able to help young students achieve their goal just as you have helped me. I am very honored to be this year's AHLAF scholarship recipient and sincerely thank you from the bottom of my heart for helping me and going through this journey with me."
