Resolution #1 - Recommend change of wording for ILO 3a and 3c

Whereas Institutional Learning Outcomes (ILOs), rooted in the Mission of the College, define and identify the knowledge, behaviors, and skills the College would like students to acquire and develop throughout their CCSF educational experiences;

Whereas the Institutional Assessment Plan specifies that Institutional Learning Outcomes (ILOs) shall be assessed on a regular basis through a process with broad faculty participation coordinated by the Student Learning Outcome (SLO) Coordinators and the Academic Senate's Student Learning Outcome Committee (SLOC);

Whereas the Institutional Assessment Plan further states that in the assessment process, ILOs are continually reviewed and refined;

Whereas the process for approval of ILOs established in the Institutional Assessment Plan and past practice is that upon recommendation from the SLOC, the Academic Senate Executive Council agrees upon the language for ILOs, which are then reviewed by the Planning Committee of the Participatory Governance Council (PGC), the full PGC and the Board of Trustees for finalization;

Whereas the ILO 3 Assessment Report prepared in 2019-2020 and approved by the SLOC on September 4, 2020 found that the current wording of ILO 3a does not match current Curriculum Committee standards for outcomes due to the phrase, "Demonstrate an understanding";

Whereas the SLOC desires to maintain the same sense of ILO 3a and the same mappings while using language that aligns with current Curriculum Committee standards;

Whereas the SLOC found no problems with the current wording of ILO 3b as it meets the current standards of the Curriculum Committee and maps to an adequate number of programs;

Whereas the above-referenced ILO 3 Assessment Report found that the current wording of ILO 3c, due to the use of the verb "collaborate," excessively limited the number of possible mappings to this sub-element of the ILO, with only 40 programs out of 356 programs in the CCSF catalog in Fall 2019 accurately mapped to this sub-element;

Whereas the SLOC desires to broaden the concept of positive interpersonal interaction in diverse social and cultural settings in ILO 3c to capture educational experiences that are not specifically collaborative but do enhance cultural, social and environmental awareness;

Be it resolved that the Academic Senate recommend the wording of ILO 3a be changed from "Demonstrate an understanding of the history and values of diverse cultures" to "Examine the history and values of diverse cultures"; and be it further

Resolved that the Academic Senate recommend the wording of ILO 3c be changed from "Collaborate effectively in diverse social and cultural settings" to "Interact effectively in diverse social and cultural settings."

Resolution #2 - Acceptance of ILO 3 report and recommendation for its use

Whereas Institutional Learning Outcomes (ILOs), rooted in the Mission of the College, define and identify the knowledge, behaviors, and skills the College would like students to acquire and develop throughout their CCSF educational experiences;

Whereas the Institutional Assessment Plan specifies that Institutional Learning Outcomes (ILOs) shall be assessed on a regular basis through a process with broad faculty participation coordinated by the Student Learning Outcome (SLO) Coordinators and the Academic Senate's Student Learning Outcome Committee (SLOC);

Whereas an in-depth assessment of ILO 3 was conducted in 2019-2020 and included multiple measures and dialogue about the ILO, including analysis of assessments of SLOs recorded in CurrIQūnet mapped up from courses through programs to ILOs; qualitative analysis of program-level aggregate assessment reports; faculty discussions at departmental meetings on Flex Day, March 3, 2020; Students Services Outcomes (SSO) Workgroup discussion and survey; and in-depth discussion at the SLOC meetings on several occasions;

Whereas the results of this assessment were compiled into the Fall 2020 ILO 3 Assessment Report by the SLO Coordinators and approved by the SLOC on September 4, 2020 and are available to share with the college community and the community at large;

Be it resolved that the Executive Council of the Academic Senate receives and accepts the Fall 2020 ILO 3 Assessment Report; and be it further

Resolved, that the CCSF Academic Senate recommend that this report be used, when relevant, during planning and improvement processes.
