**2011-2012 Council Members Absent:** Indiana Quadra

**Other Senate Members Present:** Ophelia Clark, Alan D'Souza, Kim Ginther-Webster

**I. Call to Order**

The Academic Senate Executive Council came to order at 2:37 p.m.

**II. Adoption of Agenda**

Council adopted the agenda.

**III. Approval of Minutes: May 4, 2011**

Council approved the minutes of May 4 with corrections.

**IV. Officers' Reports**

President Saginor reported that

- The second draft of the Accreditation Self Study Report is online and ready for review and feedback. She explained that work on the Accreditation Self Study Report will continue over summer. The final draft will be brought to the Council next fall for approval.
- The officers participated in the Administrative Evaluation Oversight Committee meeting about which Saginor also distributed a written report. The Committee discussed the scale, the value, and the weight of both the long form of the evaluation that is distributed to selected faculty, classified and administrators and the short form that is distributed, collected and tabulated by the Academic Senate Office. The number of evaluations returned and the importance of written comments were also considered and discussed. The Committee reviewed how often evaluations should be completed.
- Saginor reported on the status of networking and content filtering. The resolution on content filtering has been sent to the Facilities, Infrastructure, and Technology Committee of the Board of Trustees. It was not on the agenda for the past two meetings of that committee and may be addressed in fall. Chief Technology Officer Hotchkiss has surveyed community colleges and found that many require authentication for wireless access. At a recent College Advisory Council meeting, District Counsel Batiste reported that the college needs to keep network access information due to homeland security and copyright concerns. Saginor reported that she requested from District Counsel information about the specific laws. Saginor requested volunteers from Council to contact other colleges to research recordkeeping and authentication practices.
- The Board of Trustees website has been improved so that it is easier to search resolutions.
- On May 6<sup>th</sup>, Saginor facilitated a Professional Development Forum that discussed issues and obstacles to participation in College-sponsored activities. A report on the discussion will be shared on EFF (Electronic Faculty Forum).

- Objectives and Priorities from the Draft Strategic Plan have been discussed and approved in various meetings and committees and are available online. A draft of the full Strategic Plan will be made public soon. Milton Marks, Chair of the Board Institutional Effectiveness Committee, asked that the draft be agendaized for the May 24 evening meeting. Saginor encouraged Council to attend and also to attend the June 7<sup>th</sup> meeting.
- A recent Board committee meeting discussed the designation of smoking areas on the Ocean Avenue campus. This issue was discussed and went through shared governance about two years ago. The designated areas have not been fully chosen.
- The Governor's May revision came out May 16. College Planning and Budgeting Council endorsed budget principles one year ago and these have been endorsed again. Saginor agreed with the Council that Program Review should drive the budget as recommended in the last Accreditation Self Study.
- The Administration has proposed no changes to the fall course offerings. For Spring 2012, there will be fewer class sections offered than there were in Spring 2011. We can expect very few replacements for retired faculty, classified, or administrators.. Summer school 2012 will be 70% of current program.
- Saginor plans to attend two CCSF graduation ceremonies and encouraged Council to also show support.

2<sup>nd</sup> Vice President Teti reported that:

- Academic Policies Committee has been discussing the possibility of giving an FW grade. Title 5 allows this grade, and it would be advantageous for the Financial Aid Office. Further information will be forthcoming in the fall semester.
- There has been an increase in people asking for a degree or certificate earned in the distant past, but college records may be missing. A work group in Department Chair Council will investigate and report.
- WASC requires every college have a policy about hours of work for one credit that complies with federal policy. CCSF will be compliant with Title 5. Since California requirements are more stringent, we will also be in compliance with federal regulations.
- The Board of Trustees Audit Committee has drafted a charter, which would function as a mission statement. This charter would allow the committee to meet in closed session with whomever they wish. The faculty feel such authority resides in the entire Board of Trustees. He reported that this Charter allows the Audit Committee, not the whole Board, to institute special investigations.

Secretary Cook reported that:

- Sound recordings of Council meetings would be posted on the Senate website over the summer, and continue to be posted in the future.
- EFF has hosted some discussions of interest, but some faculty have expressed concern over the Council's opt out decision and the opt out process. CCSF IT support staff has suggested changing the opt out process so that faculty would all be *invited* to join and thus opt in. Since the Council voted for the current set-up, she suggested Council review the EFF role and set-up in the fall semester.
- She encouraged the Council to initiate shared governance and professional development topics of discussion on EFF.

## V. Unfinished Business

A. Council discussed quorum language and concerns about signatures on petition before voting.

### **Resolution 2011.05.18.01 Article II: Regular Plenary, Special Plenary, and Special Meetings**

**Resolved**, That the CCSF Academic Senate modify its By-Laws Article V to read as indicated here:

1. A Regular *Plenary*, ~~or~~ *Special Plenary*, or *Special Meeting* shall be defined as an official meeting of the Senate as a whole. Any ~~Plenary session~~ *of these* must be held on an official College calendar day.

2. *If the Senate calls a Special Plenary, the District will be asked to cancel classes and the meeting's agenda will be open to resolutions from the floor.*

3. *If the Senate calls a Special Meeting, classes continue to meet and the agenda is fixed (cf. Constitution Article VII).*

4. Only Senate members may vote.

5. A quorum at a *Regular Plenary session*, *Special Plenary*, or *Special Meeting* shall consist of the members present if notification of the meeting has been given seven days in advance. Any ~~plenary session~~ *Regular Plenary, Special Plenary, or Special Meeting* called by the Council with less than seven days' notice shall be defined as an Emergency ~~Session~~ *Special Plenary or Emergency Special Meeting*, ~~in~~ at which quorum shall consist of more than ~~25~~ *12.5 percent (one eighth)* of the members of the Senate.

6. *Any member of the Senate may request that the signatures on a petition (cf. Constitution Articles VII, IX, XI) be validated within a reasonable amount of time by the Shared Governance Office or the Human Resources Office.*
