

FACT SHEET: ANNUAL HEADCOUNT

Annual student headcount represents the number of individuals served in classrooms during an academic year. Headcount includes students who are enrolled as of census and noncredit students with at least eight hours of attendance.

How many students does CCSF serve each year?

Student headcount in both credit and noncredit has been declining over the last 10 years. Credit headcount and the college's overall headcount saw an uptick in 2017-18, while noncredit headcount remained flat.

Annual student headcount in credit, noncredit, and overall from 2013-14 to 2017-18
