Definitions

Terminology:
- "Academic Year" – Summer, Fall, Spring
- "Headcount" – unduplicated student count
- "FTES" – full-time equivalent students

Methodology:
- Data extracted from:
  - CCSF Banner SIS, July 24, 2018, 2017-18 FTES data updated July 30, 2018;
  - CCCCO Datamart, February 26, 2018. http://datamart.cccco.edu/Students/FTES_Summary.aspx.
- Noncredit headcount includes students who have a noncredit enrollment and attend the class for 8 or more hours, in at least one term in the academic year.
  - Does not include enrollments in LERN 1000 tutorial sections.
- Credit headcount includes students who have an enrollment in a credit class as of the census date for that term, in at least one term during the academic year.
- FTES is calculated by dividing the total actual student attendance hours by 525.
- Age calculated for all students as of August 1st of the academic year.
- Residence region/zip code determined using student's current permanent address. Data is not available for all students.
