Definitions

Terminology:
- "Academic Year" – Summer, Fall, Spring.
- "Headcount" – unduplicated student count, each student is counted once for the year.
- "FTES" – full-time equivalent students.

Methodology:
- Data extracted from: CCSF Banner SIS, October 7, 2020.
- Noncredit headcount includes students who have a noncredit enrollment and attend the class for 8 or more hours, in at least one term in the academic year.
  - Does not include enrollments in LERN, ENGL, ESLA 1000 tutorial sections.
- Credit headcount includes students who have an enrollment in a credit class as of the census date for that term, in at least one term during the academic year.
- FTES is calculated by dividing the total actual student attendance hours by 525.
  - Total FTES includes all attendance hours, resident and non-resident, and all attendance hours in LERN, ENGL, ESLA 1000 tutorial sections.
- Age calculated for all students as of August 1st of the academic year.
- Residence region/zip code determined using student's current permanent address.
