PREFACE

1 This Collective Bargaining Agreement (“Agreement”) between the Department
2 Chairpersons Council (“DCC”) and the San Francisco Community College District
3 (“District”) sets forth the terms and conditions of employment of Department
4 Chairpersons represented by the DCC. The terms and conditions of employment
5 set forth herein are intended to recognize and reinforce both the District’s
6 management authority over City College operations and the Department
7 Chairpersons’ supervisory authority as District representatives and spokespersons
8 for their departments.

ARTICLE 1 RECOGNITION

1 A. Bargaining Unit

2
3 The Board of Trustees of the San Francisco Community College District, hereinafter
4 referred to as "Board" or "District," recognizes the Department Chairperson Council
5 (DCC or "Association") as the sole and exclusive representative of the supervisory
6 employees in positions enumerated in the EERB Decision HO-R-48, Case No. SF-
7 R-519-525, dated December 22, 1977, which includes the positions enumerated
8 and agreed to in Appendix A-1, attached hereto and incorporated herein by
9 reference. It is understood and agreed by the District and the Association that the
10 term "Department Chairperson(s)" as used throughout the provisions of this
11 Agreement is synonymous with "supervisor(s)"; and, the term "Department
12 Chairperson(s)" as used throughout the provisions of this Agreement refers to and
13 includes positions with the title of Department Chairperson and positions with the
14 title of Department Program Director.

15 16 B. New Positions

17
18 Any new position(s) designated by the Board as supervisory or any new position(s)
19 that the Association views as supervisory shall be discussed by the
20 representative(s) of the District with the representative(s) of the Association and
21 such position(s) shall, if mutually agreed, be included within the unit. Any position(s)
22 in dispute shall be referred to the PERB for determination without recourse to the
23 grievance procedure herein.

24 25 C. Classification

26
27 A Department Chairperson shall be classified as a contract scheduled academic,
28 regular scheduled academic, categorically funded academic, temporary (part-time)
29 academic, or pro-rata academic employee.

30 31 D. Temporary (Part-Time) Employee

32
33 A temporary (part-time) employee (one hired for no more than the equivalent of ten
34 (10) units) designated as a Department Chairperson shall immediately become a
35 member of the unit. To the extent that the District hires temporary (part-time)
36 Department Chairpersons, such hiring will not be for purposes of evading the
37 provisions of this Agreement.

ARTICLE 2 EFFECT OF AGREEMENT

- 1 It is agreed that the specific terms and provisions of this Agreement shall prevail over
- 2 District practices and written policies wherever such practices or written policies are
- 3 inconsistent with such terms and provisions.

ARTICLE 3 PAST PRACTICES

- 1 A. Entire Agreement - It is agreed that this contract comprises the entire agreement
2 between the Association and District on all matters within the scope of
3 representation, and neither party hereto has any further obligation to meet and
4 negotiate on any such matters during the term of this Agreement, with the exception
5 of matters subject to reopener negotiations as specified in this Agreement.
6
- 7 B. Obligation to Bargain - The above provision is not intended to relieve the District of
8 the obligation to bargain prior to changing any existing written rules, regulations or
9 practices where such rules, regulations, and practices are within the scope of
10 representation.

ARTICLE 4 SEPARABILITY AND SAVINGS

- 1 A. If any provision of this Agreement or any application of this Agreement to any
2 employee or group of employees is rendered invalid by operation of law or held
3 invalid by a court or other tribunal of competent jurisdiction, such provision shall be
4 inoperative, but all other provisions shall not be affected thereby and shall continue
5 in full force and effect. The parties agree that they shall, upon the request of either
6 party, within fifteen (15) workdays subsequent to any such decision, meet for the
7 purpose of negotiating such new terms or conditions required to correct the
8 declaration of invalidity. Neither party shall go to court with the intent to overturn
9 any provisions of this contract.
- 10
11 B. If closure of the College or consolidation with another community college district is
12 required by a final decision in the accreditation process, the District will consult with
13 the DCC before determining a course of action.

- 1 A. City College of San Francisco prohibits discrimination on the basis of race, religion,
2 sex, national origin, creed, ethnicity, age, physical or mental disability, political
3 affiliation, sexual orientation, ancestry, color, medical condition (e.g., cancer or

5 non-symptomatic carriers of inheritable diseases), gender identity, marital or
6 domestic partner status, parental status, veteran status, height, or weight.
7
- 8 B. The Grievance Procedure herein may not be used for any claims arising hereunder
9 for which another administrative forum, such as the Equal Employment
10 Opportunities Commission (EEOC) or the Department of Fair Employment and
11 Housing (DFEH) is provided by law. For purposes of this Article, the Public
12 Employment Relations Board shall not be considered an administrative forum.
13

ARTICLE 6 MANAGEMENT RIGHTS

- 1 A. The District's exercise of its express and implied legal powers, rights, duties, and
- 2 responsibilities, e.g., the adoption of policies, rules, regulations, and practices in
- 3 furtherance of these powers, and the use of judgment and discretion in connection
- 4 therewith, shall be limited only by the specific and express terms of this Agreement.

2 against any person who exercises rights guaranteed by law or this contract or who
3 executes responsibilities imposed by law or this contract.
4

5 B. Negotiations with Other Organizations
6

7 1. The Board or its representative(s) agree not to negotiate with any other
8 organization or individual in matters upon which the Association is the
9 exclusive representative. The Association agrees that neither it nor its
10 representative(s) will negotiate privately or individually with any person or
11 persons not officially designated by the Board as its representative(s) in
12 matters upon which the Association is the exclusive representative.
13

14 2. This Agreement shall constitute the full and complete commitment between
15 both parties and may be altered, changed, added to, deleted from or modified
16 only through the mutual consent of the parties in a written and signed
17 amendment to this Agreement.
18

30 Deduction Authorization form of a duly executed and revocable authorization
31 by the employee.
32

33 3. Such dues deduction shall remain in effect until cancelled by the Association
34 member or by the Association, or until the member resigns from the District or
35 returns to the faculty unit.
36

37 4. The Association agrees to hold the District harmless against any claims made
38 of any nature whatsoever, and against any claim or suit instituted against the

16 to be discussed or resolved and the date, place, and time requested. The receiving
17 party shall, within three (3) workdays, notify the requesting party of agreement or non-
18 agreement to the meeting. Such meeting shall not be unreasonably denied. Meetings
19 shall be held during the Association members' non-working hours. Neither party shall
20 have more than three (3) representatives at any such meeting unless mutually agreed
21 to prior to the meeting. These meetings are not intended to bypass the grievance

28 Campus where a Department Chairperson is located; the reduction or elimination of
29 categorical grant funding for a program headed by a Department Chairperson;
30 elimination or consolidation of a department; and the like, will adversely affect a
31 member of the Association, the District will inform in writing the Association in advance,
32 wherever possible, of the implementation of such changes and will consult with the
33 Association over the effects of such changes upon written request to do so by the
34 Association.

A. FTES and FTEF for disciplines - The reassigned units assigned to Department Chairpersons for their duties and responsibilities for a given academic year shall be determined by FTES (Full-Time Equivalent Students) or FTEF (Full-Time Equivalent Faculty) as defined below. Such figures shall be verified by DCC prior to implementation by the District.

- 1. FTES shall include the FTES for resident, non-resident, and international students for all classes in a department.

FTES for the academic year shall be determined by summing the fall, spring, and the following summer of the academic year.

FTES generated by an individual class shall be counted in only one department.

- 2. FTEF shall be determined by the full-time equivalent instructional and/or instructionally related assignments in the department—including day, evening, and weekend instructional and/or instructionally-related assignments of both full-time and part-time academic personnel, each academic semester, as of the first census day.

FTEF for the academic year shall be determined by summing the fall, spring, and the following summer of the academic year.

Refer to Appendix A-2 for a list of departments.

33
34
35

ARTICLE 17 REASSIGNED TIME

1 The DCC and the College administration have a shared interest in increasing both
2 enrollment and productivity. Aligned with state apportionment formulas, the overall
3 college productivity goal is 17.5 (FTES divided by FTEF).
4

5 Where department FTES and FTEF would yield different amounts of reassigned
6 units, the higher reassigned units shall be used.
7

8 The reassigned units for a Department Chairperson shall be determined in the year
9 of selection (as noted in Article 14.H) based on the FTES and FTEF values of the
10 academic year immediately preceding the selection year.
11

12 Reassigned units shall remain constant for the three-year Department Chairperson
13 term, regardless of changes during that term to Department FTES and FTEF, or
14 any temporary chairperson appointments made pursuant to Article 14.I.
15

16 For the duration of this agreement, reassigned units for Department Chairpersons
17 shall not drop below the values calculated based on FTES and FTEF figures from

19
20

28 of the department chairperson. All additional reassigned time for departmental
29 activities that fall within the Department Chairperson's contractual responsibilities
30 (Article 8 and Appendix G) shall be evaluated using the process indicated below.
31

32 Department Chairpersons may make requests for renewal of existing additional
33 reassigned units or for new additional reassigned units. Requests must specify
34 whether the additional reassigned units are for the Department Chairperson or for
35 department faculty, the applicability of the request to the complexity factors listed
36 below, and the duration of the requested units.
37

38 Requests must be made in writing to the Vice Chancellor/designee before the end
39 of the fourth week of the Fall semester for the following academic year (e.g. request
40 in Fall 2018 for units to be assigned for the 2019/20 academic year). Requests for
41 additional reassigned time may also be made at other times when sudden,
42 extenuating circumstances arise.
43

44 The Vice Chancellor must respond to the requests in writing by the end of the
45 seventh week of the semester. The response shall specify the duration and amount
46 of any allocation.

ARTICLE 17 REASSIGNED TIME

1
2 Prior to the beginning of each semester the Vice Chancellor/designee shall
3 forward a report of the current distribution of existing additional reassigned units
4 to the DCC and appropriate department chairpersons. Where additional
5 reassigned units are assigned to department faculty, department chairs shall
6 ensure that the details of such assignments are submitted in a timely manner to
7 the Office of Instruction.

8
9 In evaluating requests for additional reassigned units, the Vice Chancellor shall
10 consider, but not be limited to, the following complexity factors:

- 11
12 1. Academic Program and Student Support. Departments that have distinct
13 programs that require focused coordination and/or student advising;
14 departments that screen student applications.

16 2. Unusual Levels of Supervision. Departments that have significant
17 programs at multiple campus/center locations; departments that have a
18 large number of classified support staff; departments where typical
19 department chairperson activities (e.g. schedule development) are
20 significantly complex.
- 21
22 3. Coordination with External Entities. Departments that have external special
23 accreditation; departments with a high number of clinical placements;
24 departments with a high number of internships/externships.
- 25
26 4. Physical Environment and Facilities. Departments that require the
27 supervision and maintenance of extensive equipment and discipline-
28 specific facilities.
- 29
30 5. Other. Departments with other complexities not specified above.

DEPARTMENT CHAIRPERSON POSITION DESCRIPTION

Purpose, Scope and Authority of the Department Chairperson

Under the direction of a Dean and in the area of responsibility, a Department Chairperson (“Chairperson”) has the dual purpose to:

- 1) Implement academic policies and procedures at the department level that flow from CCSF’s mission; and
- 2) Provide academic leadership to faculty in meeting the needs of students.

As a front-line supervisor, a Chairperson is both a representative of the administration and a department spokesperson. In representing CCSF administration to faculty, the Chairperson articulates the needs, concerns, and goals of the District and implements administrative policies and procedures at the department level in support of officially adopted College Plans and Board Goals. In representing a department to administration, the Chairperson articulates the needs, concerns and goals of the department in order to inform administrative decision-making. The Chairperson’s role includes the following:

- **Coordinate** the duties, responsibilities and evaluation of faculty.
- **Hire, orient, schedule, supervise and evaluate** emergency faculty hires, substitute faculty, classified employees assigned within the department, student workers, individuals under contract, and volunteers.
- **Recommend** a plan for the direction of academic programs.
- **Facilitate** the development of and recommend curriculum that meets the quality standards set by the State Chancellor of Community Colleges and CCSF District Administration, and coordinate course development with other departments, programs, and services as appropriate.
- **Develop and recommend** a schedule of classes in advance of each semester that meets students’ needs, enrollment goals, and department instructional budgets.
- **Recommend** effective enrollment strategies to her/his Dean; initiate, after consultation with the Dean, the cancellation of low enrolled classes and the addition of new and combined sections; work with students affected by changes to the schedule of classes; and implement administrative direction, after consultation with her/his Dean, with respect to the preceding in compliance with College policies and contracts.

Dear [Insert Name]:

Congratulations on being elected as Chairperson of the [Insert Department] Department. As you begin your term of office you should be aware of the fact that, while you are serving as Chair, you are a “supervisor” (bottom line management) and are now a member of a different collective bargaining agency: The Department Chairperson Council (DCC). During the time you are Chair, you cannot vote or otherwise serve in the American Federation of Teachers, Local 2121 (AFT).

However, since Chairs come and go from the faculty rank, you may wish to continue your membership in the AFT (that is, continue to pay dues), especially if you wish to maintain your credit union and/or any insurance that you may have through the auspices of AFT. Furthermore, many Chairs continue to pay dues to AFT during their tenure as Chairs in recognition of the fact that AFT still negotiates many conditions of your employment (salaries, benefits, etc.) and occasionally represents you (with approval from DCC) in matters that deal with your role as a faculty member.

If you wish to resign your AFT membership while you are serving as Chair, you must notify AFT in writing immediately. Otherwise, you need take no action.

We wish you a productive term of office.

Sincerely,

Darlene Alioto, President, Department Chairpersons Council

Alayna Fredricks, Executive Director, American Federation of Teachers Local 2121
